***The Journey** – Exciting times ahead*

Building Strong Foundations: How is it achieved?

Play is an essential feature that taps students' inquisitiveness and ignites a self-sustaining passion for learning.

Differentiated support for children with differing learning needs

Teachers **pace** teaching and adopt **developmentally appropriate, engaging pedagogies** to deepen learning.

No examinations and weighted assessments at P1 and P2

to provide more time and space to settle into a formal school setting, build relationships and develop the necessary skills and attitudes towards learning.
