INTERIM ORDERS COMMITTEE INQUIRY FOR DR WONG KAI JIE ISAAC

1. On 4 November 2024, the Singapore Medical Council ("**SMC**") received a complaint (the "**Complaint**") in respect of Dr Wong Kai Jie Isaac ("**Dr Wong**") concerning, *inter alia*, the administration of dermal fillers by Dr Wong and his treatment and management of the side effects and complications arising out of the administration of dermal fillers.
2. An independent Complaints Committee ("**CC**") was appointed to inquire into the Complaint. In the course of its deliberations, the CC referred the Complaint to the SMC to appoint an Interim Orders Committee ("**IOC**") to determine if it was necessary for the protection of members of the public, or was otherwise in the public interest, or was in the interests of Dr Wong, that Dr Wong's registration be suspended or be made subject to conditions or restrictions.
3. On 26 August 2026, the IOC, after due inquiry into the information referred to it by the SMC and after considering the submissions by Counsel for the SMC and Counsel for Dr Wong, was satisfied that it was necessary for the protection of members of the public and in the public interest that the registration of Dr Wong as a medical practitioner be conditional on his compliance with the following conditions or restrictions **with effect from 26 August 2026**, for a period of 18 months or until the conclusion of the proceedings against Dr Wong under Part 7 of the Medical Registration Act 1997 ("**MRA**"), whichever is sooner:
 - (a) Dr Wong must not offer and/or administer dermal fillers;
 - (b) Dr Wong must not treat any patient in relation to any side effects or complications arising from the administration of dermal fillers, unless such treatment is an emergency lifesaving procedure and Dr Wong is the only available medical practitioner;
 - (c) Dr Wong shall only administer products within the dosage and indications permitted by the Health Sciences Authority or in accordance with the manufacturer's specifications;
 - (d) Dr Wong must inform the SMC of all places at where he practises or intends to practise; and

- (e) Dr Wong must inform any organisation or person employing him for medical work that his registration is subject to the above conditions.
