3 OFFICIAL SOURCE & READINGS

All haze-related decisions are based on NEA readings for Singapore's **South** Region.

24-hour PSI (primary reference)
1-hour PM2.5 (supplementary)

NEA Haze Website

www.haze.gov.sg

Both readings must be within limits

4 DECISION-MAKING AUTHORITY

Only the Organiser makes the final match decision.

- Decisions consider NEA readings and on-site conditions.
- Participant safety comes first.
- Once a match is officially called off, the decision will not be reversed.
