

STAGGERED REST DAYS

FACILITIES MANAGEMENT

WHAT IS STAGGERED REST DAYS?

In pre-COVID days, most workers rest on Sunday. Staggered rest days is a new measure by MOM and BCA to spread out the number of workers exiting their dormitories for non-work purposes more evenly across the week. This is necessary to minimize the risk of cross-infections during the COVID-19 pandemic, and it requires all of us to adopt new practices to protect our built environment workforce, our families, and the larger community as a whole.

Staggered rest days will apply to all Work Permit and S Pass holders hired under Construction accounts.
