

## STAGGERED REST DAYS

# LIFT & ESCALATORS FIRMS

### WHAT IS STAGGERED REST DAYS?

In pre-COVID days, most workers rest on Sunday. Staggered rest days is a new measure by MOM and BCA to spread out the number of workers exiting their dormitories for non-work purposes more evenly across the week. This is necessary to minimize the risk of cross-infections during the COVID-19 pandemic, and it requires all of us to adopt new practices to protect our built environment workforce, our families, and the larger community as a whole.

Staggered rest days will apply to all Work Permit and S Pass holders hired under Construction accounts.

### WHAT IS MY REST DAY?

- MONDAY - SATURDAY

### WHAT DO I NEED TO DO?

From 19 August 2020 onwards, firms who have been approved to start work will receive notifications from BCA on their rest day.

1 Look out for BCA's email titled "Staggered Rest Days for Your Workers"

2 Log on to MOM's **Safe@Work system**

3 Select a rest day between Monday to Saturday<sup>[1]</sup>

4 Inform workers on the rest day arrangement

5 Implement new rest day within one month of notification

For more clarifications, please go to <https://www1.bca.gov.sg/COVID-19/faqs>

*Note: Firms need not select the same day for all workers. You may also change the rest days<sup>[1]</sup> subsequently on the system for legitimate reasons e.g. you are rostering your workers differently*

<sup>[1]</sup> Firms can self-select Monday to Friday on MOM's **Safe@Work system**. To choose Saturday as rest, please submit an appeal to BCA at **FormSG**.
