

STAGGERED REST DAYS SPECIALIST SUB-CONTRACTORS

Workers Working Part-time On Site^[1]

WHAT IS STAGGERED REST DAYS?

In pre-COVID days, most workers rest on Sunday. Staggered rest days is a new measure by MOM and BCA to spread out the number of workers exiting their dormitories for non-work purposes more evenly across the week. This is necessary to minimize the risk of cross-infections during the COVID-19 pandemic, and it requires all of us to adopt new practices to protect our built environment workforce, our families, and the larger community as a whole.

Staggered rest days will apply to all Work Permit and S Pass holders hired under Construction accounts.

WHEN IS MY REST DAY?

- If your workers are deployed to a single construction site projects:
 - FOLLOW ASSIGNED REST DAY FOR THE PROJECT
- If your workers are not deployed to construction site projects / multiple construction site projects / receive multiple assigned rest days from BCA
 - SELECT A REST DAY BETWEEN MONDAY TO SATURDAY ^[2]

WHAT DO I NEED TO DO?

From 19 August 2020 onwards, firms who have approved application for restart will receive notifications from BCA on their rest day.
