

STAGGERED REST DAYS

SUB-CONTRACTORS

WHAT IS STAGGERED REST DAYS?

In pre-COVID days, most workers rest on Sunday. Staggered rest days is a new measure by MOM and BCA to spread out the number of workers exiting their dormitories for non-work purposes more evenly across the week. This is necessary to minimise the risk of cross-infections during the COVID-19 pandemic, and it requires all of us to adopt new practices to protect our built environment workforce, our families, and the larger community as a whole. Staggered rest days will apply to all Work Permit and S Pass holders hired under Construction accounts.

WHEN IS MY REST DAY?

SUNDAY

- Workers deployed to construction site projects subject to NEA's No Work Rule ^[1]

MONDAY TO SATURDAY (Assigned by BCA)

- Workers deployed to construction site projects not subject to NEA's No Work Rule, please follow assigned construction site project rest day

WHAT DO I NEED TO DO?

From 19 August 2020 onwards, firms who have approved application for restart will receive notifications from BCA on their rest day.

1 Look out for BCA's email titled "Staggered Rest Days for Your Workers"

2 Log on to MOM's **Safe@Work system**

3 Verify the rest days are correct for workers deployed full time to project site

4 Select a rest day between Monday to Saturday^[2]

6 Implement new rest day within one month of notification
