**BEDOK GREEN
SECONDARY SCHOOL**

*A School Of Choice And
A Community Of Lifelong Learners*

Believe and Grow

✖ OUR SCHOOL ✖

At Bedok Green Secondary School, we are propelled by our belief that every child matters. We view every student who steps through the gates of Bedok Green as embarking on an educational voyage that will elevate their knowledge, fortify their character and unlock their true potential. In the spirit of our school motto, 'Believe and Grow,' we aim to instill in our students the unwavering confidence to conquer challenges and soar to new heights, taking flight towards a bright and promising future.

Get *Ready* to embark on a transformative educational *adventure* at BGSS!

OUR DISTINCTIVE PROGRAMMES

We are proud of our popular **Design and Aeronautical Engineering (DAE) Programme**, which employs an experiential approach to understand, analyse and create new aeronautical phenomena. This premier **Applied Learning Programme** is undergirded by aeronautical scientific principles and complemented by creative pedagogical practices so as to enable learners to soar higher in their quest to conquer space.

Our **Learning for Life Programme**, known as the *PAssion Programme*, immerses all students in the vibrant, colourful and eclectic world of the arts. This unique programme is where music, drama, dance and visual art come together to provide a rich sensory theatre. Visual recreations, auditory experimentations and dramatic narratives all radiate from our *PAssionate* students, nurturing them into well-rounded individuals.

Our **Service Learning Programme** strives to mould our students into socially responsible citizens who actively contribute to their community. Through a range of activities, they apply social skills, knowledge and grace, promoting meaningful interactions within our school, community, society and nation.

We offer a diverse and exciting array of **Co-Curricular Activities** that appeals to a wide range of student interests. With a total of 18 CCAs, possibilities abound for students to discover their strengths, pursue their passions, cultivate leadership skills and seize opportunities to excel and savour success.
