PARADE SINGAPORE

Chingay 2025

Joy

Singapore's annual Chingay Parade began as a humble street procession in 1973 to keep the festive atmosphere of the Chinese New Year, in compensation for the ban on firecrackers. Today, Chingay has become a uniquely Singaporean tradition which reflects our vibrant and multicultural society. The past five decades have seen Chingay evolved with creative and innovative concepts, powered by the passions, dreams and aspirations of the people.

Chingay 2025 returns with the theme "Joy" inviting members of the public to reflect on shared experiences transcending ethnicity, language and age through food. The culinary extravaganza will unfold across an overture and five acts, featuring more than 4,000 performers, food-inspired floats, vibrant costumes and dynamic music and choreography that encapsulate Singapore's rich cultural tapestry, artistic talent and collective spirit. It will captivate audiences with a four-level stage for performers.

THEME SONG “JOY”

Feel it,
Show it,
We just want this feeling of

Joy don't come easy when we're hiding our smiles,
I know how that feels all too well,
Rainy days they take a toll on you now,
All you need is something to help you out of

These tides will change but you won't be alone,
No more,
Just look around you'll find that we'll be strong,
For you and me so

CHORUS 1

Find (Find)
Your joy (Your joy)
Everything will be alright,
Cause we're together so,
Move (Move)
And love (Love)
Your people are behind you
So we just want you to

CHORUS 2

Feel it,
Show it,
We just want this feeling of joy,
Find it,
Love it,
We just want this feeling of joy

Let me break it down for you,
There's a whole lotta love to get,
So don't waste it,
Fast pace in a city full of dreams don't,
Let the chance go show me how you feel own,
Every moment that you've live never let it go,
Find the joy in the things you do,
Never let the hard times overcome you move,
Feel the shift in energy change your mood,
Even all the rough waves you have to go through

These tides will change but you won't be alone,
(Hold you up when you're down don't be afraid
Trust the fall we ain't never gonna let you break)
No more,
Just look around you'll find that we'll be strong,
For you and me so

CHORUS 1

Feel good for the people that need you,
(Feel it)
Show your smile when the times are against you, (Show)
Prosper in your heart cause I know you,
Want this feeling of joy, (We just want this feeling of joy.)
Find light when you're lost in your conscience, (Find it)
Love the times when you rid all your problems, (Love it)
Raise your hands cause i know deep down you,
Want this feeling of joy (We just want this feeling of joy)

CHORUS 2

CHORUS 1

CHORUS 2

Find (Find)
Your joy (Your joy)
Everything will be alright,
Cause we're together so,
Move (Move)
And love (Love)
Your people are behind you
So we just want you to

Feel it (We gotta feel it)
Show it (We gotta show it)
We just want this feeling of joy
Find it (Just find it)
Love it (And just love it)
We just want this feeling of joy

CHINGAY 2025 SONGS

ACT 2: CULINARY MUSICAL

Performed by: Siti Khalijah

VERSE 1

I wake right up and I got to go
I work from five till' three that's the flow
Create my dishes
Tasty and fragrant
Strong flavors making a statement

I look good baju too clean
My food always up on your FYP's
They know my name don't need an intro
But I'll run through my life for those who don't know

I was stuck in a 9 to 5
Always rushing, didn't have a life
I couldn't keep up with all the workload
Everyday tired, but even so
I did well but was not content
With my job at hand something wasn't a ten
I felt like this was not what I wanted
Until one day my troubles overwhelmed me

How can I make my life more colourful
How do I make my smile more tasteful
A 9 to 5 is this my life is this the only way
that I'll survive?

NARRATION BREAK 1

Everyday rushing in and out of the office
Penat bro
I never eat, I don't sleep
The sun I don't see
Everyday's the same
Until

VERSE 2

One day my father came to me
He said "Adik can you help me please"
"The stall give me headache and heart pain"
"Please take over before I insane"
I dropped everything and went to his aid
The business at stake
I must do my best
I put everything on social platforms And
created a massive media sandstorm

Now I found my purpose I'm shining
Everything is good the store's blooming
Hipster hawker all on the front page
The food's too good they put me on stage

CHORUS 1

This sister can cook,
This sister can sing,
This sister got style,
This sister got wow,
This sister got bling
This sister can cook,
This sister can sing,
This sister got style,
This sister got wow,
This sister got bling

CHORUS RAP 1

My face everywhere, I cover all bases
Always there right time and right places
Star of the show my name leaves a ring
This can sister can cook, this sister can sing

TRANSITION TO ACT 3: THE ABCS OF COOKING

Performed by: Sebastian Tan

VERSE 1

I'm your average Singaporean
9 to 6, 5 days a week
I don't ask for money, What I'm doing,
It's all for free (spoken)
Cooking for my family
Cooking all that's yummy!
It started on the stove
All alone
When we had to stay at home
Ah yall know ah - circuit breaker

VERSE 2

I think and think, which one is better?
Healthy choices all that matter
Eat at home or dabao back?
Kuai shu mian? Aiya! Cook myself!
(Realisation)
I started small with egg fried rice,
Salt and pepper with some spice
That's just what I'm thinking
Learning ABCs of cooking

PRECHORUS

Now you must be wondering what ABC
stands for. Apple, Beetroot, Carrot juice?
Haha, Well, let me share with you what the
ABCs of cooking are

CHORUS

First week I try: Alamak, aiyoh
Second week I cook: Buey pai, Bagus,
Third week chi-ba-bom Confirm plus chop!
The ABC culinary song
Alamak, Buey Pai, Confirm plus chop
Alamak, Buey Pai, Confirm plus chop
Alamak, Buey Pai, Confirm plus chop

Now you know what ABC stands for!
Come and sing with me, come on!

Alamak, Buey Pai, Confirm plus chop
Whats ABC?
Alamak, Buey Pai, Confirm plus chop
I cant hear you!
Alamak, Buey Pai, Confirm plus chop
That's right
The ABC culinary song
Alamak, Buey Pai, Confirm plus chop

TRANSITION TO ACT 4: THE CHEF'S SONG

Performed by:

Rebekah Sangeetha Dorai

It's 'bout time I take centre stage
I might be older but I am no sage
You don't get my food
It's okay
We're just not on the same page

Rubies and diamonds are my winning dish
People mock cuz they don't get my niche
You'll be bland, flow with the currents
I'm pushing out innovations

Triumph is no easy climb
And trying is not a crime
Why work if you can't use your mind
Put your pride aside and design

Ohhh little me
started with nothing
Knew that my food was something
You say it's hard to understand when you
can't contend it

Little me on the world map
Makin' my way step by step
Filling souls is what I do

Try something new
