

S/N	Provider(s)	Course / Activity title	Activity Type	Eligibility	Topic
1	Any SSG Approved Training Organisations (ATOs)	Apply ISO 14001 Environmental Management System (EMS) for Audit Requirements	Courses	Formal training	Environmental risk assessment and management
2	Any SSG Approved Training Organisations (ATOs)	Certificate in ISO 14001:2015 Environmental Management System Internal Auditor Course	Courses	Formal training	Environmental risk assessment and management
3	Any SSG Approved Training Organisations (ATOs)	Certificate in ISO 9001:2015 and ISO 14001:2015 - Integrated Quality and Environmental Management System - Internal Auditor Training Course	Courses	Formal training	Environmental risk assessment and management
4	Any SSG Approved Training Organisations (ATOs)	Certificate in ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018 QEHS Integrated Management System Internal Auditor Training Course	Courses	Formal training	Environmental risk assessment and management
5	Any SSG Approved Training Organisations (ATOs)	Effectiveness Management (Demonstrate and apply understanding of cleaning methods and process – CLDAU)	Courses	Formal training	Infectious diseases prevention and control
6	Any SSG Approved Training Organisations (ATOs)	Effectiveness management in environmental services (DCMP Level 3)	Courses	Formal training	Environmental risk assessment and management
7	Any SSG Approved Training Organisations (ATOs)	Environmental Control Coordinator (ECC) Course	Courses	Formal training	Built environment management
8	Any SSG Approved Training Organisations (ATOs)	Environmental Sustainability Management	Courses	Formal training	Sustainability
9	Any SSG Approved Training Organisations (ATOs)	Food Safety and Hygiene	Courses	Formal training	Public and food hygiene
10	Any SSG Approved Training Organisations (ATOs)	Fundamentals of ISO 14001 Environmental Management System (EMS)	Courses	Formal training	Environmental risk assessment and management
11	Any SSG Approved Training Organisations (ATOs)	Identifying Environmental Aspects & Impacts	Courses	Formal training	Environmental risk assessment and management
12	Any SSG Approved Training Organisations (ATOs)	Improve Environmental Management System	Courses	Formal training	Environmental risk assessment and management
13	Any SSG Approved Training Organisations (ATOs)	Indoor Air Quality Management	Courses	Formal training	Pollution control
14	Any SSG Approved Training Organisations (ATOs)	Indoor Air Quality Management (Manage Indoor Air Quality)	Courses	Formal training	Pollution control
15	Any SSG Approved Training Organisations (ATOs)	ISO 14001 Environmental Management System (EMS) Internal Auditor Course	Courses	Formal training	Environmental risk assessment and management
16	Any SSG Approved Training Organisations (ATOs)	ISO 14001 Environmental Management System Internal Auditor	Courses	Formal training	Environmental risk assessment and management
17	Any SSG Approved Training Organisations (ATOs)	ISO 14001:2015 Environmental Management Systems (EMS) Auditor / Lead Auditor Training Course	Courses	Formal training	Environmental risk assessment and management
18	Any SSG Approved Training Organisations (ATOs)	ISO 14001:2015 Internal Auditor Training	Courses	Formal training	Environmental risk assessment and management
19	Any SSG Approved Training Organisations (ATOs)	ISO 9001:2015, ISO 14001:2015 & ISO 45001:2018	Courses	Formal training	Environmental risk assessment and management
20	Any SSG Approved Training Organisations (ATOs)	L1 Waste Disposal Management	Courses	Formal training	Waste management
21	Any SSG Approved Training Organisations (ATOs)	Monitor Noise and Vibration	Courses	Formal training	Pollution control
22	Any SSG Approved Training Organisations (ATOs)	Noise and Vibration Control	Courses	Formal training	Pollution control
23	Any SSG Approved Training Organisations (ATOs)	Noise and Vibration Control (Control Noise and Vibration)	Courses	Formal training	Pollution control
24	Any SSG Approved Training Organisations (ATOs)	QEHS Integrated Management System Internal Auditor	Courses	Formal training	Environmental risk assessment and management
25	Any SSG Approved Training Organisations (ATOs)	Safe Management Officer (SMO) course for Construction	Courses	Formal training	Infectious diseases prevention and control
26	Any SSG Approved Training Organisations (ATOs)	Singapore Environmental Legal Requirements Training	Courses	Formal training	Environmental risk assessment and management
27	Any SSG Approved Training Organisations (ATOs)	Stakeholder Management	Courses	Formal training	Stakeholder management
28	Any SSG Approved Training Organisations (ATOs)	Stakeholder Management (Handle Enquiries and Requests)	Courses	Formal training	Stakeholder management
29	Any SSG Approved Training Organisations (ATOs)	Stakeholder Management (Level 3) / PWM-Cleaning: L3 Stakeholder Management	Courses	Formal training	Stakeholder management
30	Any SSG Approved Training Organisations (ATOs)	Stakeholder Management (Level 4)	Courses	Formal training	Stakeholder management
31	Any SSG Approved Training Organisations (ATOs)	Stakeholder Management (Schedule and supervise cleaning services - CLSSCS)	Courses	Formal training	Stakeholder management
32	Any SSG Approved Training Organisations (ATOs)	WSQ Design Basic Used Water Collection System	Courses	Formal training	Pollution control
33	Any SSG Approved Training Organisations (ATOs)	WSQ Diploma in Environmental Services (Face-to-Face & Synchronous e-Learning)	Courses	Formal training	Environmental services management
34	Any SSG Approved Training Organisations (ATOs)	WSQ Food Safety Course (FSC) Level 1	Courses	Formal training	Public and food hygiene
35	Any SSG Approved Training Organisations (ATOs)	WSQ Food Safety Course (FSC) Level 1 (Refresher)	Courses	Formal training	Public and food hygiene
36	Any SSG Approved Training Organisations (ATOs)	WSQ Food Safety Course (FSC) Level 3	Courses	Formal training	Public and food hygiene
37	Any SSG Approved Training Organisations (ATOs)	WSQ Infection Control (Level 2)	Courses	Formal training	Infectious diseases prevention and control
38	Any SSG Approved Training Organisations (ATOs)	WSQ ISO 14001 Environmental Management System (EMS) Internal Auditor Course	Courses	Formal training	Environmental risk assessment and management
39	Any SSG Approved Training Organisations (ATOs)	WSQ Monitor Noise and Vibration Monitoring Course (MNV) / Noise and Vibration Monitoring	Courses	Formal training	Pollution control
40	Any SSG Approved Training Organisations (ATOs)	WSQ Provide Quality Services	Courses	Formal training	Infectious diseases prevention and control
41	Any SSG Approved Training Organisations (ATOs)	WSQ Public Hygiene Maintenance	Courses	Formal training	Public and food hygiene
42	Any SSG Approved Training Organisations (ATOs)	WSQ Stakeholder Management	Courses	Formal training	Stakeholder management
43	Any SSG Approved Training Organisations (ATOs)	WSQ Understanding sustainability for business	Courses	Formal training	Sustainability
44	Any SSG Approved Training Organisations (ATOs)	Zero Waste Manager Course	Courses	Formal training	Waste management
45	Building and Construction Authority (BCA)	Antigen Rapid Test (ART) Self-Swab Supervision for Built Environment (Non-Construction Worksites)	Informal training	3 hours	Infectious diseases prevention and control
46	Building and Construction Authority (BCA)	Antigen Rapid Test (ART) Swabbing & Supervision for Built Environment	Informal training	6 hours or more	Infectious diseases prevention and control
47	Building and Construction Authority (BCA)	BCA Building Engineering Seminar 2022 - Buildings: What can go wrong?	Informal training	3.5 hours	Construction site management
48	Building and Construction Authority (BCA)	BCA Industry Sharing on BP/TOP Regulatory Updates 2025	Informal training	6 hours or more	Construction site management
49	Building and Construction Authority (BCA)	Building Control Regulations for Site Supervisors	Courses	Formal training	Construction site management
50	Building and Construction Authority (BCA)	BuildSG LEAD Summit 2025	Informal training	5.5 hours	Built environment management
51	Building and Construction Authority (BCA)	Certification Course on Collaborative contracting	Courses	Formal training	Construction site management

S/N	Provider(s)	Course / Activity title	Activity Type	Eligibility	Topic
52	Building and Construction Authority (BCA)	Certification Course on Life Cycle Assessment: Carbon Computation and Management Strategies	Courses	Formal training	Sustainability
53	Building and Construction Authority (BCA)	Certification Course on Strategies for Smart FM and Maintainability	Courses	Formal training	Built environment management
54	Building and Construction Authority (BCA)	Construction Contract Drafting & Dispute Resolution	Courses	Formal training	Construction site management
55	Building and Construction Authority (BCA)	Contract Administration and Collaborative Contracting	Academic programmes	Formal training	Construction site management
56	Building and Construction Authority (BCA)	Enhancing Competency of Built Environment (BE) Professionals on Regulatory Regime	Courses	Formal training	Construction site management
57	Building and Construction Authority (BCA)	Essential knowledge in local regulations and construction practices	Courses	Formal training	Construction site management
58	Building and Construction Authority (BCA)	Integrated Procurement Management	Academic programmes	Formal training	Construction site management
59	Building and Construction Authority (BCA)	International Built Environment Week (IBEW)	Informal training	6 hours or more	Built environment management
60	Building and Construction Authority (BCA)	Introduction to Collaborative Contracting	Courses	Formal training	Construction site management
61	Building and Construction Authority (BCA)	Legislation Course for Managing Agents	Courses	Formal training	Built environment management
62	Building and Construction Authority (BCA)	Managing Noise in Construction Sites	Courses	Formal training	Pollution control
63	Building and Construction Authority (BCA)	Specialist Diploma in Construction Management (SDCM)	Academic programmes	Formal training	Construction site management
64	Building and Construction Authority (BCA)	Specialist Diploma in Integrated Project Management (SDIPM)	Academic programmes	Formal training	Built environment management
65	Building and Construction Authority (BCA)	Specialist Diploma in Smart Facilities Management	Academic programmes	Formal training	Built environment management
66	Building and Construction Authority (BCA)	Specialist Diploma in Sustainability & Carbon Management for the Built Environment	Academic programmes	Formal training	Sustainability
67	Building and Construction Authority (BCA)	Understanding Green Mark 2021	Courses	Formal training	Sustainability
68	Institute of Technical Education (ITE)	Joint ITE-NEA Certificate in Pest Control	Courses	Formal training	Pest/Vector Management
69	Institute of Technical Education (ITE)	Joint ITE-NEA Certificate in Pest Management	Courses	Formal training	Pest/Vector Management
70	Institute of Technical Education (ITE)	Swimming Pool Maintenance & Operation	Courses	Formal training	Pollution control
71	Institution of Engineers Singapore (IES)	Earth Control Measures (ECM) Night 2024	Informal training	4 hours	Pollution control
72	Institution of Engineers Singapore (IES)	Qualified Erosion Control Professional (QCEP)	Courses	Formal training	Pollution control
73	Institution of Engineers Singapore (IES)	Certificate of Attendance / Competency (COC) in Earth Control Measures (ECM) For Construction Site Personnel	Courses	Formal training	Pollution control
74	Institution of Engineers Singapore (IES)	Certificate of Competency (COC) In Operation & Maintenance of Silty Water Treatment Plants (SWTPS) for Construction Site Personnel	Courses	Formal training	Pollution control
75	Institution of Engineers Singapore (IES)	Earth Control Measures (ECM) Night 2023	Informal training	4 hours	Pollution control
76	Land Transport Authority (LTA)	LTA Safety Health & Environmental (SHE) Conference 2025	Informal training	1 hour	Built environment management
77	Nanyang Polytechnic (NYP)	Managing External and Internal Stakeholders Effectively	Courses	Formal training	Stakeholder management
78	Nanyang Polytechnic (NYP)	Sanitisation Technology and the Management of Infectious Disease Threat	Courses	Formal training	Infectious diseases prevention and control
79	Nanyang Technological University (NTU)	BS005 One Health / BS025 One Health	Academic programmes	Formal training	Infectious diseases prevention and control
80	Nanyang Technological University (NTU)	CET821 Information Technology in Construction- ICT and BIM for construction	Courses	Formal training	Construction site management
81	Nanyang Technological University (NTU)	CET822 Information Technology in Construction- BIM tools for architects and engineers	Courses	Formal training	Construction site management
82	Nanyang Technological University (NTU)	CET823 Information Technology in Construction- BIM and Lean construction and IDD	Courses	Formal training	Construction site management
83	Nanyang Technological University (NTU)	CV3016 Construction Technology & Processes	Courses	Formal training	Construction site management
84	Nanyang Technological University (NTU)	CV6212 Construction Management	Academic programmes	Formal training	Construction site management
85	Nanyang Technological University (NTU)	EM5107 Environmental Health and Safety Management	Academic programmes	Formal training	Infectious diseases prevention and control
86	Nanyang Technological University (NTU)	Social & Economics of Urban Environments	Courses	Formal training	Sustainability
87	Nanyang Technological University (NTU)	Executive Certificate in Corporate and Environmental Sustainability	Academic programmes	Formal training	Sustainability
88	National Environment Agency (NEA)	Clean Environment Convention (CEC) / Sustainability and Clean Environment Convention	Informal training	Varies	Sustainability
89	National Environment Agency (NEA)	CleanEnviro Summit Singapore (CESG)	Informal training	Varies	Sustainability
90	National Environment Agency (NEA)	Dengue Prevention Outreach (Volunteer Activity)	Others	1.5 hours	Pest/Vector Management
91	National Environment Agency (NEA)	ECO(SCS) Awards Ceremony	Informal training	2.5 hours	ECO(SCS) scheme
92	National Environment Agency (NEA)	ECO(SCS) Engagement Survey 2024	Informal training	0.5 hours	ECO(SCS) scheme
93	National Environment Agency (NEA)	ECO(SCS) Webinar 2022	Informal training	2.5 hours	ECO(SCS) scheme
94	National Environment Agency (NEA)	ECO(SCS) Webinar 2024	Informal training	1.5 hours	ECO(SCS) scheme
95	National Environment Agency (NEA)	ECO(SCS) Webinar 2025	Informal training	3 hours	ECO(SCS) scheme
96	National University of Singapore (NUS)	Bachelor of Technology (Civil Engineering)	Academic programmes	Formal training	Sustainability
97	National University of Singapore (NUS)	Construction Law	Academic programmes	Formal training	Construction site management
98	National University of Singapore (NUS)	Environmental Analysis & Sustainable Environment	Courses	Formal training	Environmental risk assessment and management
99	National University of Singapore (NUS)	Global Issues in Infection Prevention and Control	Courses	Formal training	Infectious diseases prevention and control
100	National University of Singapore (NUS)	Graduate Diploma in Applied Epidemiology	Academic programmes	Formal training	Infectious diseases prevention and control
101	National University of Singapore (NUS)	Graduate Diploma in Public Health	Academic programmes	Formal training	Infectious diseases prevention and control
102	National University of Singapore (NUS)	Management of Infectious Diseases at the Workplace	Courses	Formal training	Infectious diseases prevention and control
103	National University of Singapore (NUS)	Master of Public Health	Academic programmes	Formal training	Infectious diseases prevention and control

S/N	Provider(s)	Course / Activity title	Activity Type	Eligibility	Topic
104	National University of Singapore (NUS)	Master of Science (Environmental Management)	Academic programmes	Formal training	Environmental risk assessment and management
105	National University of Singapore (NUS)	Master of Science (Safety, Health and Environmental Technology)	Academic programmes	Formal training	Environmental technology and innovation
106	National University of Singapore (NUS)	NUS ESE Symposium	Informal training	Varies	Sustainability
107	National University of Singapore (NUS)	Professional Certificate in Infrastructure and Construction Project Management	Academic programmes	Formal training	Construction site management
108	National University of Singapore (NUS)	Public Health Informatics and Telehealth	Courses	Formal training	Infectious diseases prevention and control
109	National University of Singapore (NUS)	Specialist Certificate in Water and the Environment	Courses	Formal training	Pollution control
110	National University of Singapore (NUS)	Sustainability - The Next Challenge	Courses	Formal training	Sustainability
111	National University of Singapore (NUS)	Technologies in Environmental Engineering	Academic programmes	Formal training	Environmental technology and innovation
112	National Water Agency (PUB)	Maintain Regulatory Compliances in Water Supply Network Environment	Courses	Formal training	Pollution control
113	National Water Agency (PUB)	PUB Public Outreach Programme - Protection of Water and Sewer Pipes (POWS)	Informal training	2 hours	Pollution control
114	National Water Agency (PUB)	Singapore Water Webinar Series (SgWW)	Informal training	Varies	Pollution control
115	Ngee Ann Polytechnic (NP)	Building Maintenance Technology (Synchronous e-learning)	Courses	Formal training	Built environment management
116	Ngee Ann Polytechnic (NP)	Diploma (Conversion) in Facilities Management (DCFM3)	Academic programmes	Formal training	Built environment management
117	Ngee Ann Polytechnic (NP)	Effectiveness Management - Implement Work Plans & Monitor Performance	Courses	Formal training	Environmental risk assessment and management
118	Ngee Ann Polytechnic (NP)	Environmental Testing - Part of Post Diploma Certificate in Environmental & Chemical Analyses (SDAS)	Courses	Formal training	Pollution control
119	Ngee Ann Polytechnic (NYP)	Carbon Management for SMEs	Courses	Formal training	Sustainability
120	Ngee Ann Polytechnic (NYP)	Diploma in Engineering (Building Services & Fire Safety)	Academic programmes	Formal training	Sustainability
121	Republic Polytechnic (RP)	Diploma in Applied Science (Environmental Services and Management)	Academic programmes	Formal training	Environmental risk assessment and management
122	Republic Polytechnic (RP)	Environmental Analytics	Courses	Formal training	Environmental risk assessment and management
123	Republic Polytechnic (RP)	Environmental Assessment and Management System	Courses	Formal training	Environmental risk assessment and management
124	Republic Polytechnic (RP)	Environmental Infection Control and Management	Courses	Formal training	Infectious diseases prevention and control
125	Republic Polytechnic (RP)	Environmental Management for Sustainability	Courses	Formal training	Environmental risk assessment and management
126	Republic Polytechnic (RP)	Facilities and Building Management	Academic programmes	Formal training	Built environment management
127	Republic Polytechnic (RP)	goEco	Courses	Formal training	Sustainability
128	Republic Polytechnic (RP)	Infectious Incident Site Management and Communications	Courses	Formal training	Infectious diseases prevention and control
129	Republic Polytechnic (RP)	Pest Control Training for Vector Control Worker	Courses	Formal training	Pest/Vector Management
130	Republic Polytechnic (RP)	Pest Management Training for Vector Control Technician	Courses	Formal training	Pest/Vector Management
131	Republic Polytechnic (RP)	Safe Handling, Disposal and Storage of Cleaning and Disinfection Chemicals	Courses	Formal training	Infectious diseases prevention and control
132	Republic Polytechnic (RP)	Understanding Emerging and Re-emerging Infectious Diseases	Courses	Formal training	Infectious diseases prevention and control
133	Republic Polytechnic	Specialist Diploma in Environmental and Corporate Sustainability	Academic programmes	Formal training	Sustainability
134	Singapore Contractors Association Limited (SCAL)	3S (Safety, Security and Sustainability)	Informal training	1 hour	Sustainability
135	Singapore Contractors Association Limited (SCAL)	Applying bizSAFE CultureSAFE to battle COVID-19	Informal training	5 hours	Infectious diseases prevention and control
136	Singapore Contractors Association Limited (SCAL)	Applying bizSAFE CultureSAFE to battle Infectious Diseases	Informal training	6 hours or more	Infectious diseases prevention and control
137	Singapore Contractors Association Limited (SCAL)	Best Practices for Green and Gracious Builder – Green, Friendlier and Socially Responsible	Informal training	4 hours	Sustainability
138	Singapore Contractors Association Limited (SCAL)	Carbon Accounting and Reduction Strategies for Construction Sector	Informal training	4 hours	Sustainability
139	Singapore Contractors Association Limited (SCAL)	Construction Disputes - Part 1 - An Introduction	Courses	Formal training	Stakeholder management
140	Singapore Contractors Association Limited (SCAL)	Construction Environmental Control Management	Informal training	3 hours	Environmental public health
141	Singapore Contractors Association Limited (SCAL)	Construction Projects: Post-Contract Administration and Key Site Issues	Courses	Formal training	Construction site management
142	Singapore Contractors Association Limited (SCAL)	Construction Safety Seminar: Enhancing Traffic and Vector Control in Construction	Informal training	1 hour	Pest/Vector Management
143	Singapore Contractors Association Limited (SCAL)	Data Analytics – Data Management & Reporting	Courses	Formal training	Environmental risk assessment and management
144	Singapore Contractors Association Limited (SCAL)	Effective Contract Administration and Documentation for Site Personnel	Informal training	3 hours	Construction site management
145	Singapore Contractors Association Limited (SCAL)	ESG Reporting Made Practical	Informal training	4 hours	Sustainability
146	Singapore Contractors Association Limited (SCAL)	Handling of Construction Conflicts and Disputes at the Workplaces	Courses	Formal training	Stakeholder management
147	Singapore Contractors Association Limited (SCAL)	Introduction to Integrated Digital Delivery (IDD) / Benefits & Challenges of Adopting IDD in the Construction Industry	Informal training	6 hours or more	Construction site management
148	Singapore Contractors Association Limited (SCAL)	Laying The Foundation: Kickstarting Your Sustainability Reporting Journey	Informal training	6 hours or more	Sustainability
149	Singapore Contractors Association Limited (SCAL)	Leadership and Leading with Different Personality	Informal training	3 hours	Stakeholder management
150	Singapore Contractors Association Limited (SCAL)	Manage Chemical Hazards in Workplace	Informal training	4 hours	Pollution control
151	Singapore Contractors Association Limited (SCAL)	Manage Demolition of Buildings and Structures	Courses	Formal training	Construction site management
152	Singapore Contractors Association Limited (SCAL)	Mediation for Construction Industry	Informal training	4 hours	Stakeholder management
153	Singapore Contractors Association Limited (SCAL)	Problem Solving & Decision Making	Courses	Formal training	Environmental risk assessment and management
154	Singapore Contractors Association Limited (SCAL)	Problem Solving with Data Analytics	Courses	Formal training	Environmental risk assessment and management
155	Singapore Contractors Association Limited (SCAL)	Safety in Demolition of Buildings and Civil Engineering Structures	Informal training	2 hours	Construction site management

S/N	Provider(s)	Course / Activity title	Activity Type	Eligibility	Topic
156	Singapore Contractors Association Limited (SCAL)	SCAL Construction Professional Accreditation Scheme (CPAS) Speaker Series - Managing People is Managing Projects: The Importance of Morale, Team Spirit, and Teamwork	Informal training	Varies	Construction site management
157	Singapore Contractors Association Limited (SCAL)	SCAL EHS Campaign 2024: EHS Excellence in Construction	Informal training	1.5 hours	Built environment management
158	Singapore Contractors Association Limited (SCAL)	SCAL Environment, Health and Safety (EHS) Campaign 2023	Informal training	4 hours	Pest/Vector Management
159	Singapore Contractors Association Limited (SCAL)	The Construction Workplace Reimagined!	Informal training	6 hours or more	Construction site management
160	Singapore Contractors Association Limited (SCAL)	The Practical Approach of Settling Back Charges and Resolving Defective Work Issues	Informal training	6 hours or more	Construction site management
161	Singapore Contractors Association Limited (SCAL)	Updates and Developments of Construction Law	Informal training	3 hours	Construction site management
162	Singapore Contractors Association Limited (SCAL)	Introduction to Building and Construction	Courses	Formal training	Construction site management
163	Singapore Contractors Association Limited (SCAL)	QEHHS Internal Auditors Course - ISO 9001:2015, ISO 14001:2015 & ISO 45001:2018	Courses	Formal training	Environmental risk assessment and management
164	Singapore Green Building Council (SGBC)	Certification Course for Green Mark Associate: Introduction to Built Environment Sustainability	Courses	Formal training	Sustainability
165	Singapore Green Building Council (SGBC)	Green Switch: Financing Renewable Energy Integrations	Informal training	1.5 hours	Sustainability
166	Singapore Green Building Council (SGBC)	Greening Up - Sustainability On Site	Informal training	2 hours	Sustainability
167	Singapore Green Building Council (SGBC)	Harnessing Green Financing for a Zero Carbon Future	Informal training	1.5 hours	Sustainability
168	Singapore Green Building Council (SGBC)	Learning from the Transformation of the Australian Built Environment	Informal training	2 hours	Built environment management
169	Singapore Green Building Council (SGBC)	Leveraging Technology: Bridging Digitalisation & Sustainability	Informal training	2 hours	Environmental technology and innovation
170	Singapore Green Building Council (SGBC)	Linking Lighting to Health & Sustainability	Informal training	1.5 hours	Sustainability
171	Singapore Green Building Council (SGBC)	Singapore International Green Building Conference (IGBC-SG)	Informal training	Varies	Sustainability
172	Singapore Green Building Council (SGBC)	Understanding the Living Building Challenge & WELL Certification	Informal training	1.5 hours	Built environment management
173	Singapore Green Building Council (SGBC)	Unpacking Green Mark: 2021 Sustainability Sections	Informal training	2 hours	Sustainability
174	Singapore Institute of Management (SIM)	Sustainability Manager in Built Environment	Courses	Formal training	Sustainability
175	Singapore Pest Management Association (SPMA)	Dengue Situation in Singapore Webinar 2022	Informal training	2 hour	Pest/Vector Management
176	Singapore Pest Management Association (SPMA)	Mosquito Surveillance Seminar (MSS) 2024	Informal training	3.5 hours	Pest/Vector Management
177	Singapore Polytechnic (SP)	Carbon Management Planning leading to Greenhouse Gas Practitioner	Courses	Formal training	Sustainability
178	Singapore Polytechnic (SP)	Environmental Control Officers (Specified Construction Sites) Course	Courses	Formal training	Construction site management
179	Singapore Polytechnic (SP)	Environmental Control Officers (Specified Premises) Course	Courses	Formal training	Built environment management
180	Singapore Polytechnic (SP)	Environmental Impact Assessment	Courses	Formal training	Environmental risk assessment and management
181	Singapore Polytechnic (SP)	Environmental Infection Control and Management in Non-Healthcare Premises	Courses	Formal training	Infectious diseases prevention and control
182	Singapore Polytechnic (SP)	Environmental Infection Control and Management in Non-Hospital Facilities	Courses	Formal training	Infectious diseases prevention and control
183	Singapore Polytechnic (SP)	Environmental Infection Control and Management in Non-Hospital Facilities (Refresher)	Courses	Formal training	Infectious diseases prevention and control
184	Singapore Polytechnic (SP)	Fundamental Course On Vector Management And Control	Courses	Formal training	Pest/Vector Management
185	Singapore Polytechnic (SP)	Noise Management Plan	Courses	Formal training	Pollution control
186	Singapore Polytechnic (SP)	Singapore Polytechnic (SP)	Courses	Formal training	Sustainability
187	Singapore Polytechnic (SP)	Stakeholder Relations	Academic programmes	Formal training	Stakeholder management
188	Singapore University of Social Sciences (SUSS)	Collaborative Contracting in Built Environment (BPM505)	Courses	Formal training	Built environment management
189	Singapore University of Social Sciences (SUSS)	Construction Law (BPM105)	Courses	Formal training	Construction site management
190	Singapore University of Social Sciences (SUSS)	Construction Project Management (BPM203)	Courses	Formal training	Construction site management
191	Singapore University of Social Sciences (SUSS)	Construction Technology (BPM113)	Courses	Formal training	Construction site management
192	Singapore University of Social Sciences (SUSS)	Environmental Hazards and Toxicology (HFS203)	Courses	Formal training	Waste management
193	Singapore University of Social Sciences (SUSS)	Environmental Management and Sustainable Development (HFSY357)	Courses	Formal training	Environmental risk assessment and management
194	Singapore University of Social Sciences (SUSS)	Indoor Environmental Quality (FMT407)	Courses	Formal training	Pollution control
195	Singapore University of Social Sciences (SUSS)	Interdisciplinary Studies in Construction (BPM101)	Courses	Formal training	Construction site management
196	Singapore University of Social Sciences (SUSS)	Physiology and Infectious Diseases	Courses	Formal training	Infectious diseases prevention and control
197	Singapore Water Association (SWA)	Design, Operation and Maintenance of Water Treatment Plant	Courses	Formal training	Pollution control
198	Singapore Water Association (SWA)	Fundamentals of Water Quality Analysis and Its Applications – MASTERCLASS TRAINING COURSE	Courses	Formal training	Pollution control
199	Temasek Polytechnic (TP)	Basic Food Hygiene for Food Handlers	Courses	Formal training	Public and food hygiene
200	Temasek Polytechnic (TP)	Carbon Management	Courses	Formal training	Sustainability
201	Temasek Polytechnic (TP)	Micro Learning Class (MLC) - Industrial Wastewater Biological Treatment	Courses	Formal training	Pollution control
202	Temasek Polytechnic (TP)	Micro Learning Class (MLC) - Industrial Wastewater Chemical Treatment	Courses	Formal training	Pollution control
203	Temasek Polytechnic (TP)	Micro Learning Class (MLC) - Industrial Wastewater Physical Treatment	Courses	Formal training	Pollution control
204	Temasek Polytechnic (TP)	Micro Learning Class (MLC) - Sustainable Building Design Principles	Courses	Formal training	Sustainability
205	Temasek Polytechnic (TP)	Micro Learning Class (MLC) - Sustainable Design Suite Courses / Sustainable Building Design Process	Courses	Formal training	Sustainability
206	Temasek Polytechnic (TP)	Specialist Diploma in Building Information Modeling (BIM) Construction and Asset Management	Academic programmes	Formal training	Construction site management
207	Temasek Polytechnic (TP)	Specialist Diploma in Environment and Water Technology	Academic programmes	Formal training	Pollution control
208	Singapore Management University (SMU)	(SCTP) Advanced Certificate in Driving Sustainability for the Future: The Future of Work through a Sustai	Courses	Formal training	Sustainability

S/N	Provider(s)	Course / Activity title	Activity Type	Eligibility	Topic
209	NTUC Learning Hub	CSE Certified Sustainability (ESG) Practitioner - Basic	Courses	Formal training	Environmental risk assessment and management
210	PSB Academy	Bachelor of Environmental and Occupational Health and Safety (Top-Up)	Academic programmes	Formal training	Environmental risk assessment and management
211	National University of Singapore	Carbon Measurement, Reporting and Verification	Courses	Formal training	Environmental risk assessment and management
212	National University of Singapore	Navigating Policy Developments and Trends in Carbon Markets	Courses	Formal training	Environmental risk assessment and management
213	Public Hygiene Council (PHC)	Train-the-Trainers	Courses	1.5 hours	Environmental public health
214	Avanta Academy	Diploma in Facilities Management	Academic programmes	Formal training	Built environment management
215	Institute of Occupational Safety and Health (IOSH)	Transformative Governance: Empowering Sustainability Responsibility within HSE	Informal training	2 hours	Sustainability
216	QE Safety Consultancy	Merging Sustainability with Occupational Health and Safety (OHS)	Courses	Formal training	Sustainability
217	Any SSG Approved Training Organisations (ATOs)	WSQ Food Safety Course (FSC) Level 2	Courses	Formal training	Public and food hygiene
218	Any SSG Approved Training Organisations (ATOs)	WSQ Food Safety Course (FSC) Level 4	Courses	Formal training	Public and food hygiene
218	Any SSG Approved Training Organisations (ATOs)	WSQ Food Safety Course (FSC) Level 4	Courses	Formal training	Public and food hygiene
219	Hydrogen and Fuel Cell Association of Singapore (HFCAS)	SHE Seminar: Safety, Resilience & Sustainability	Informal training	1 hour	Sustainability
220	SkyDIGI Singapore Pte Ltd	Professional Pest Management Safety and Compliance Training – SS 721:2025	Informal training	1 hour	Pest/Vector Management
221	Institution of Engineers Singapore (IES)	Noise Pollution and Vector-Borne Diseases as Environmental Health Concerns from Construction Sites	Informal training	4 hours	Pest/Vector Management
222	Singapore Green Building Council (SGBC)	Tomorrow's Timber Talk	Informal training	1 hour	Sustainability
223	NTUC Learning Hub	ISO 14064-1:2018 GREENHOUSE GASES IMPLEMENTATION AND REPORTING TRAINING COURSE (SYNCHRONOUS)	Courses	8 hours	Environmental risk assessment and management
224	Institute of Engineers Singapore (IES)	Earth Control Measure (ECM) Night 2025	Informal training	4 hours	Pollution control
225	Tertiary Infotech Academy	WSQ - Carbon Footprint Management for Sustainability	Courses	6 hours	Sustainability
226	Avanta	ISO 9001:2015 Quality Management System (QMS) Auditor / Lead Auditor Course	Courses	6 hours	Environmental risk assessment and management
227	Singapore Polytechnic (SP)	Best-in-Class in Environmental Sustainability and Energy Efficiency - Sustainability Lead (Classroom and Field)	Courses	6 hours	Sustainability
228	BCA Academy	Certification Course for Green Mark Accredited Professional (GMAP)	Courses	Formal training	Built environment management
