

Exam Readiness Checklist for GCE-Level Candidates

This list is not exhaustive and serves only as a guide.
You are advised to read the Examination Rules and Regulations thoroughly before sitting for your examinations.

Do's

1 Do read the GCE N(T)/N(A)/O-Level or GCE A-Level Examination Rules and Regulations and be familiar with the examination procedures for the different papers that you have registered (e.g. written, oral, listening comprehension, science practical, etc.).

2 Do check your examination timetable and prepare the necessary items for the examination (e.g. entry proof (EP), photo identification, pens, 2B pencils and other essential stationery items).

3 Do ensure that the items you bring into the examination venue are allowed for use during the examination (e.g. approved calculators, approved dictionaries, etc.).

4 Do dress appropriately. Wear your school attire if you are a school candidate. For private candidates, wear smart casual attire that is neat and comfortable.

5 Do allocate sufficient travelling time to reach your examination centre so that you can report at least 30 minutes before the start of your examination.

6 Do listen carefully to all announcements made by the examination personnel. Submit your answer scripts to the personnel before leaving the examination room.

Don'ts

1 Don't bring any unauthorised devices or materials into the examination venue. Ensure all stationery and belongings taken into the examination venue (e.g. mathematical set, pencil case, EP) are free of unauthorised writings, notes, or formulae.

2 Don't commit or attempt any acts of dishonesty, improper conduct or misbehaviour during the examination, or assist others in such acts.

3 Don't start writing or open the question/ answer booklet until instructed to do so.

4 Don't continue writing after the 'stop writing' announcement has been made by the examination personnel.

All The Best!
