Moving Into and Renovating My Flat

Here are some useful resources as you start planning your move and embark on your renovation journey.

Do note that construction works for common areas may still be ongoing. Hoardings will be put up within the site to ensure the safety of residents and workers.

Building Service Centre

To help you settle into your new flat, a Building Service Centre (BSC) will be set up for each new development.

The BSC will commence operation once the first keys are issued and will be in operation for a year. You can submit your rectification request by scanning the QR code in your Welcome kit or notice pasted on your kitchen wall.

Renovation Guidelines

Be sure to:

- Only engage contractors listed in the Directory of Renovation Contractors (DRC)
- Engage licensed workers for windows, electrical and sanitary works
- Check your renovation permits and ensure that works comply with HDB's guidelines

Learn more about the various guidelines and permits in our guide on the MyNiceHome website.

Be a Good Neighbour

Here are 5 simple ways you can be a good neighbour:

1. Get to know your neighbours
2. Lend a helping hand to neighbours in need
3. Keep the noise level down
4. Keep corridors and common areas tidy and clutter-free
5. Be a responsible pet owner

In the event of a dispute, communicate with your neighbours politely and be open to compromise. Most neighbour disputes can be resolved effectively and amicably with a little thoughtfulness and patience.
