About My Town

Kallang / Whampoa Town

Kallang / Whampoa Town is located right at the city fringe and is in close proximity to the waterfront with Kallang River flowing through the town.

Residents can enjoy living in a convenient location with the Boon Keng MRT station nearby. Find out more about the transport connections with [LTA's Travel Guide](#).

Residents have access to a range of retail and recreational amenities within Kallang/ Whampoa Town. Residents can visit Bendemeer Shopping Mall as well as Bendemeer Market & Food Centre for a variety of dining and shopping options to meet their daily needs. The nearby precinct shops at Blocks 108, 112, and 122 McNair Road, which include a supermarket and F&B facilities, provide residents with more food and retail options. Nature lovers can also enjoy a leisurely stroll at the Whampoa Park Connector, which runs alongside Sungei Whampoa.

About My Town

Kallang / Whampoa Town

Biophilic Neighbourhood

The HDB Biophilic Town Framework guides the development of residential landscapes to improve residents' health, well-being, and connection with nature.

The framework takes into consideration five categories – Soil, Flora & Fauna, Outdoor Comfort, Water, and People. Learn more about how the framework helps residents like you reconnect with the nature and enjoy its intrinsic benefits.

Around My Home

Towner Residences

Towner Residences is located along Towner Road and has 2 residential blocks that are 25 and 40 storeys tall. One block has 316 units of 3- and 4-room sold flats while the other has rental flats.

The roof garden located on the 33rd storey will provide residents panoramic views of the area. Residents can enjoy recreational facilities such as children playgrounds, fitness corners, and resting shelters amid lush greenery at the development's central green. Residents can also conveniently access the preschool and roof garden at the multi-storey car park.

Site Plan for Towner Residences

Around My Home

Towner Residences

Towner Residences is designed to provide a more comfortable environment by improving natural ventilation.

It also fosters a harmonious living environment with spaces for relaxation and active community spaces.

DESIGN FEATURES

CONNECTIVITY

Roof gardens are interconnected and easily accessible from all blocks via link bridge connections.

TOWNER RESIDENCES

PRECINCT GREEN SPACES

Outdoor green spaces throughout the precinct provide residents with opportunities to connect with nature, stay active and socialise.

-  Adult Fitness Station / Elderly Fitness Station
-  Children Playground

Moving Into and Renovating My Flat

Here are some useful resources as you start planning your move and embark on your renovation journey.

Do note that construction works for common areas may still be ongoing. Hoardings will be put up within the site to ensure the safety of residents and workers.

Building Service Centre

To help you settle into your new flat, a Building Service Centre (BSC) will be set up for each new development.

The BSC will commence operation once the first keys are issued and will be in operation for a year. You can submit your rectification request by scanning the QR code in your Welcome kit or notice pasted on your kitchen wall.

Renovation Guidelines

Be sure to:

- Only engage contractors listed in the Directory of Renovation Contractors (DRC)
- Engage licensed workers for windows, electrical and sanitary works
- Check your renovation permits and ensure that works comply with HDB's guidelines

Learn more about the various guidelines and permits in our guide on the MyNiceHome website.

Living in My New Home

Here are some tips and guidelines for living in your new home!

Minimum Occupation Period

The Minimum Occupation Period (MOP) is the time period that you must physically reside in your flat.

The MOP for your flat at Towner Residences is 5 years. You can also look up the MOP for your flat using HDB's e-Service:

[Check Flat Details](#)

During the MOP, you are allowed to:

- ✔ Rent out your extra bedrooms*
(For 3-room or bigger flats, except 3Gen flats)

Take note of the occupancy cap for the various flat types:

Flat Type	Max. no. of bedrooms allowed to rent out	Max. no. of occupants allowed in each flat
3-room	1	6
4-room and bigger	2	8*

** Applicable from 22 Jan 2024 to 31 Dec 2028*

During the MOP, you are not allowed to

- ✗ Rent out your whole flat
- ✗ Acquire local or overseas private property, including private property held on trust

Living in My New Home

Maintaining Your New Home

Home owner's responsibility

Mainly fittings and fixtures within the flat, such as:

- Floor and wall finishes
- Windows
- Sanitary fittings
- Door and gate

Town Council's responsibility

The areas outside of your flat, such as:

- Common areas and common property
- Corridors
- Void decks
- External façade walls

Face issues with the fittings and fixtures in your flat, but not sure who's responsible for fixing it? Here's a quick breakdown:

Learn more about how to maintain the different features of your new home on the MyNiceHome website.

Living in My New Home

Home Insurance

HDB Fire Insurance

- Compulsory as long as you have an HDB loan
- Covers cost of reinstating damaged internal structures in the event of fire

Home Contents Insurance

- Optional
- Covers home contents (e.g. renovation, household items, personal belonging)

Fire Prevention Tips

- Do not overload power sockets
- Do not leave cooking unattended
- Keep a watchful eye when charging your PMD or PMD batteries
- Use electrical appliances with the Safety Mark

Be a Good Neighbour

Here are 5 simple ways you can be a good neighbour:

1. Get to know your neighbours
2. Lend a helping hand to neighbours in need
3. Keep the noise level down
4. Keep corridors and common areas tidy and clutter-free
5. Be a responsible pet owner

In the event of a dispute, communicate with your neighbours politely and be open to compromise. Most neighbour disputes can be resolved effectively and amicably with a little thoughtfulness and patience.
