Issuance of Letter of Intent

22 October to 14 November

MUIS will issue the Letter of Intent to eligible applicants from 22 October 2026 onwards via the MyHajSG portal.

If you wish to **ACCEPT**, here are the steps to follow:

1. **Book an appointment for your Haj Medical Assessment with a MUIS-appointed medical service provider, family doctor or another medical service provider.**

2. **Complete the Haj Medical Assessment before 9 November 2026.**

3. **Receive a Medical Report from the medical service provider or your family doctor and safekeep it.**

4. **Log in to haj.muis.gov.sg and indicate your decision by 14 November 2026**
   - If assessed as medically FIT → Select **"I Accept"**
   - If assessed as medically UNFIT → Select **"I Wish to Defer"** or **"I Wish to Cancel"**

   ⚠ Do not cancel if you intend to perform Haj Badal in future.

5. **Issuance of Letter of Offer from 16 November 2026 onwards**

   Successful applicants must purchase Haj packages from MUIS-appointed travel agents by **30 November 2026***.

   ⚠ Fitness to perform Haj does not guarantee selection. Offers depend on the quota and your registration queue position.

*Information is correct as of 22 October 2026 and is subject to change.

Before you book your appointment

Please take a moment to honestly assess your own condition before proceeding:

- **Do you have any chronic medical conditions?**
- **Do you require a wheelchair or mobility assistance?**
- **Are you physically prepared for the demands of Haj?**

What does the assessment cover?

Everything is completed in a single visit.

- Blood tests
- ECG (Electrocardiogram)
- Mini-Cognitive assessment
- Chest X-ray
- Standard clinical examination
- Mobility assessment

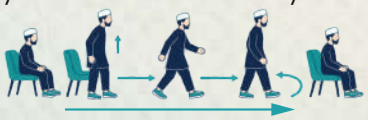

Your mobility assessment consists of two tests:

1. **6-Minute Walk Test**
   Walk as much as you can in 6 minutes to assess your aerobic capacity and walking endurance.

10 metres

2. **Timed Up and Go (TUG) Test**
   Rise from a chair, walk a short distance, turn around, and return to your seat — timed to assess your balance and mobility.

3 metres

Please ensure you wear proper footwear (sports shoes) for the assessment.
Sandals and slippers are not allowed.

Where to go for Haj Medical Assessment?

We highly recommend visiting a MUIS-appointed medical centre for your Haj Medical Assessment. These centres offer a one-stop service, covering all the necessary tests in one sitting.

MUIS-Appointed Medical Service Providers

Medical Service Provider	Address	Booking of Appointment (from 14 Sep 2026)	Price (SGD) with GST

HMI Medical Centre (Farrer)	12 Farrer Park Station Road Level 1 S217565		

Prefer to use your family doctor or another medical service provider?

Submit a request at **go.gov.sg/hmarequest**

Before proceeding, make sure your family doctor/medical service provider can:

- **Conduct the full suite of required Haj medical assessment in a single visit**
- **Provide information on the applicable fees and charges**

MUIS does not maintain information on fees charged by individual providers.
All medical assessment fees are self-funded, regardless of the provider you choose.
