

NATIONAL FAMILY FESTIVAL 2024: BINOCULARS DIY CRAFT

TAPE TO THE OTHER END

INSTRUCTIONS

1. Colour your binoculars and write or draw in the given space how you would show love, care and concern, commitment and respect.
2. Cut out your binoculars along the dotted lines.
3. Fold along the solid lines to connect the vertical ends.
4. Push the horizontal flaps through the slots.
5. Thread a string through the small side holes and you're done!
