

NATIONAL FAMILY FESTIVAL 2024: PINWHEEL DIY KIT

INSTRUCTIONS

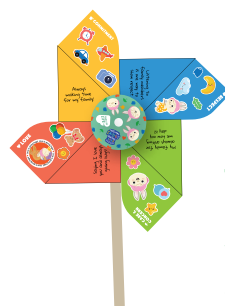

1. Print this design to get started with your pinwheel! Double-sided printing is required.
2. Decorate the lighter sections and write the ways you show your family values on the opposite side.
3. Cut out the pinwheel and a decorative circle of your choice along the dotted lines, including the lines between each panel.
4. Bring the circle on each flap to the centre of the pinwheel, indicated by the dot in the middle.
5. Secure the four flaps and decorative circle with a pin.
6. Attach the pinwheel to a stick. Start spinning!

INSTRUCTIONS

Pen down your thoughts on how you can show and practise the family values.

Post photos of your family and your very own pinwheels online with the hashtag **#FamilyFestSG!**

INSTRUCTIONS

Cut these out and glue or tape them to decorate your pinwheel!
