

DIY FAN KIT

Create your fan, make it special!

For single-sided A4 print only.

Materials required: A4 paper, cardboard (approx. A4 size), scissors (ask an adult to help), tape, glue, crayons, colour pencils, stick (for making the fan handle)

INSTRUCTIONS:

Step 1

Talk about how you can show **LOVE**, **CARE & CONCERN**, **COMMITMENT** and **RESPECT**. Write, draw, or paste the cut-outs onto the fan to show these.

Step 2

Paste this onto cardboard, then cut out the circle by following the dotted lines. Set aside for later.

DIY FAN KIT

Create your fan, make it special!

For single-sided A4 print only.

My favourite family day out is...

Step 3

Write, draw or colour your favourite family day out!

Step 4

Cut along the dotted lines and paste the circle onto the unused side of the cardboard.

Step 5

Make a solid fan handle using items available at home such as ice-cream sticks or chopsticks, attach it to the fan and secure it with glue or tape. Once ready, fan the heat away!

LOVE

Give a colourful drawing

Give a loud cheer

Give a healthy snack

Give a big hug

Give a performance from the heart

Give a friendly wave

Give a handwritten note

Give a thoughtful item

Give a wide smile

We can show LOVE for our family by using actions to express how we feel.

CARE & CONCERN

Help do the laundry

Help clean up the mess

Help dry the dishes

Help bring a plate of fruits

Help complete a puzzle

Help put on a plaster

We can show CARE & CONCERN for our family by helping when we see a need.

COMMITMENT

Cook together

Put toys away together

Visit the Merlion together

Eat together

Play together

Read together

Walk in the park together

Take public transport together

We can show COMMITMENT to our family by spending time together.

RESPECT

Please

Thank you!

How are you?

Can I help?

I'm sorry

Excuse me

You're welcome

Hello

Good morning

We can show RESPECT for our family by using kind words and listening attentively.
