Making Language Come Alive

School programmes such as the Language Week and designated library periods to build pupils' love for reading

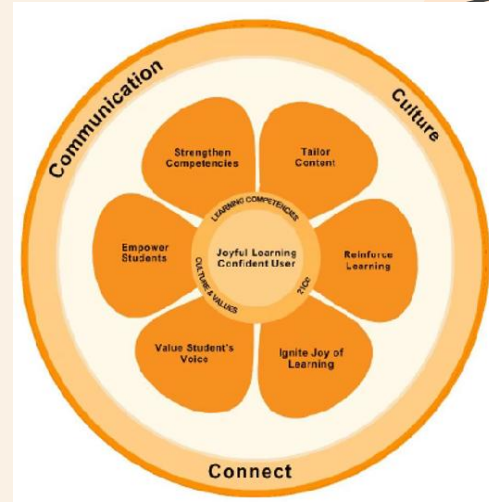

Learning experiences to engage pupils in authentic learning

Mother Tongue Language (MTL) Curriculum

Curriculum Aims of the new Primary MTL Curriculum

- a. **Language Competence** - Students are equipped with foundational language skills to ensure effective communication
- b. **Culture & Values** - Students learn to appreciate their own MTLs, culture and traditions
- c. **21st Century Competencies** - Students are equipped with foundational social-emotional competencies and competencies such as civic literacy, global awareness and cross-cultural skills, critical and inventive thinking

Key Features of the new Primary MTL Curriculum

The 2024 Primary MTL curriculum places greater focus on helping students experience the **joy of learning MTL**, motivate them to like and learn MTL for life.

- Multi-modal and scaffolded approach to engage and support students in learning
- Broadened use of authentic contexts and materials that relate to students' interests and daily lives
- More extensive use of gamification and differentiated instruction by leveraging ICT

At Primary 1 and 2, students with different proficiencies will be supported through differentiated instruction and modular approach.
