THE SHOWCASE

At **Pages & Pixels**, discover how creative expression, reading and technology can work together to keep your mind sharp and engaged! This inspiring and interactive showcase features digital activities and creative reading material, making brain wellness both fun and accessible. Try your hand at memory games, explore a digital brain map, and be inspired by creative works from our seniors.

Whether you enjoy stories or tech exploration, **Pages & Pixels** has something special waiting for everyone. We invite you to let your creative mind flourish in the digital age, be inspired by a sense of boundless wonder and enjoy the time of your life.

This showcase is organised as part of the
Time of Your Life Celebration 2025.
