

# Use SLS for Revision

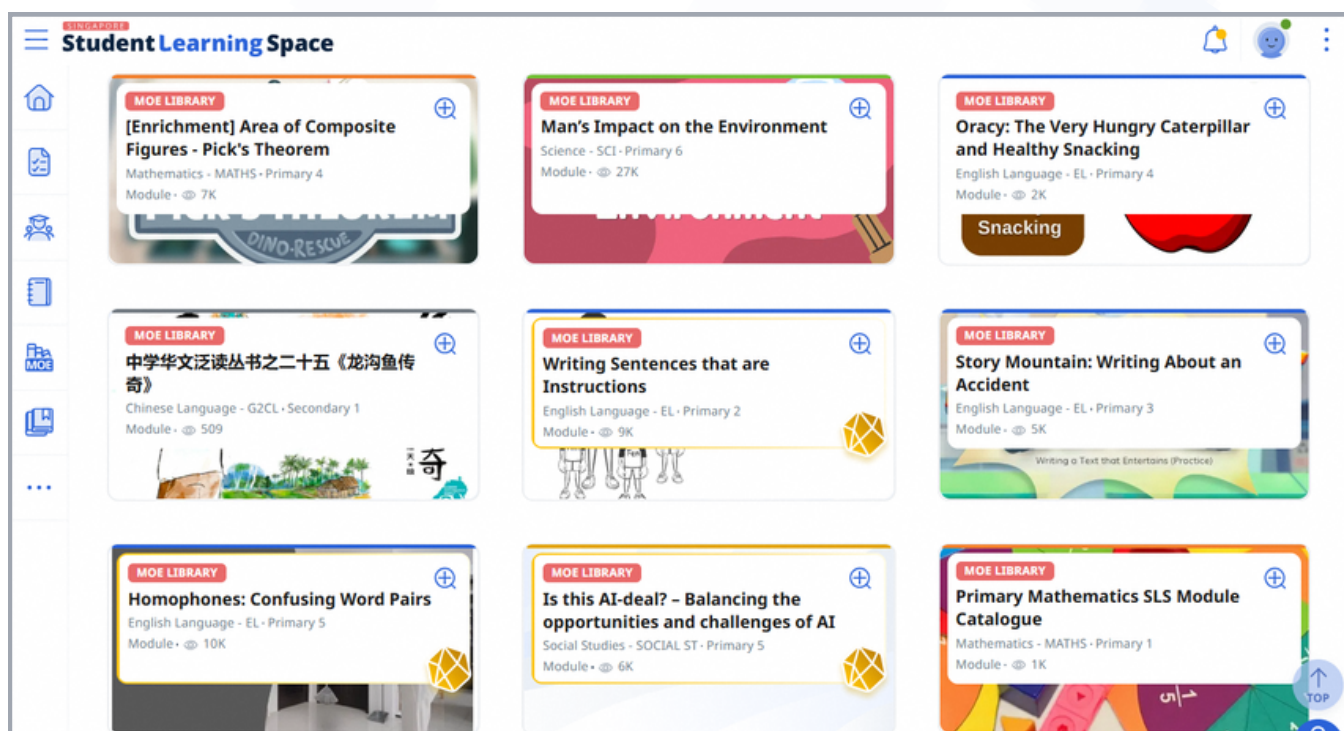

Did you know that there are more than **15,000** SLS modules **created by MOE HQ** across different levels and subjects in MOE Library? Students can access these modules to learn what they have not mastered, revise for deeper understanding or explore what they are interested in.

## How to Access

Click on  to expand the menu

 **Look for modules in MOE Library**

Click on the **MOE library** icon 

## Search terms to try:

You can search based on subject, level, or topics e.g. **"P5 science, water cycle"**. To access content for oral revision, try **"Oral practice"**.
