Links to Step-by-Step Guide for Parental Controls on Apple and Android devices

Your child's device type	Your device type	Link	Remarks
iOS	iOS	https://support.apple.com/en-sg/guide/child-safety/welcome/web	Use Apple Family Sharing to manage your child's iOS device from your iOS device.
	Android	https://go.gov.sg/videoguideipad	Apple Family Sharing is not available on Android devices. You will need to set up Screen Time directly on your child's iOS device.
Android	Android	https://support.google.com/families/answer/7101025?hl=en&ref_topic=7327495	If your child uses an Android device, you can use the Google Family Link app from either an Android or iOS device.
	iOS
