

The slide features a dark purple background with several geometric shapes. A large, tilted rectangle on the left contains a photograph of a container ship at sea. Below it, a smaller tilted rectangle shows a port with multiple container cranes and stacks of colorful containers. In the top left corner, there is a small dark blue diamond. In the top right corner, there is a grid of small blue dots.

PHILIPPINES' STRATEGIC TRADE MANAGEMENT OVERVIEW & UPDATE

08 September 2026

Danelle Izah G. Mantilla

Officer-in-Charge Division Chief, RAD
Strategic Trade Management Office
Department of Trade and Industry

STMA OVERVIEW (Part 1):

- Strategic Trade Management Act
- Regulatory List and Process
- Systems and Tools

STRATEGIC TRADE MANAGEMENT

STMA Framework

Policy Oversight

Execution Agency

Republic Act No. 10697

Governs the trade of strategic goods to prevent WMD proliferation, fulfilling international obligations:

- **UNSCR1540:** International commitment to non-proliferation of nuclear, chemical and biological weapons
- **Key Treaties:** Nuclear Non-Proliferation Treaty (**NPT**), Biological and Toxin Weapons Convention (**BWC**), Chemical Weapons Convention (**CWC**), and Arms Trade Treaty (**ATT**)
- **Objectives:** agency focused on **maintaining peace, international security and promoting trade** by regulating and overseeing the registration, authorization, and trade of **strategic goods, software and technology.**

National Security Council – Strategic Trade Management Committee

The NSC-STMCom permanent central body under the National Security Council (NSC) for policy direction and oversight.

Strategic Trade Management Office

Bureau under the Trade and Industry responsible for technical management and regulations of strategic goods.

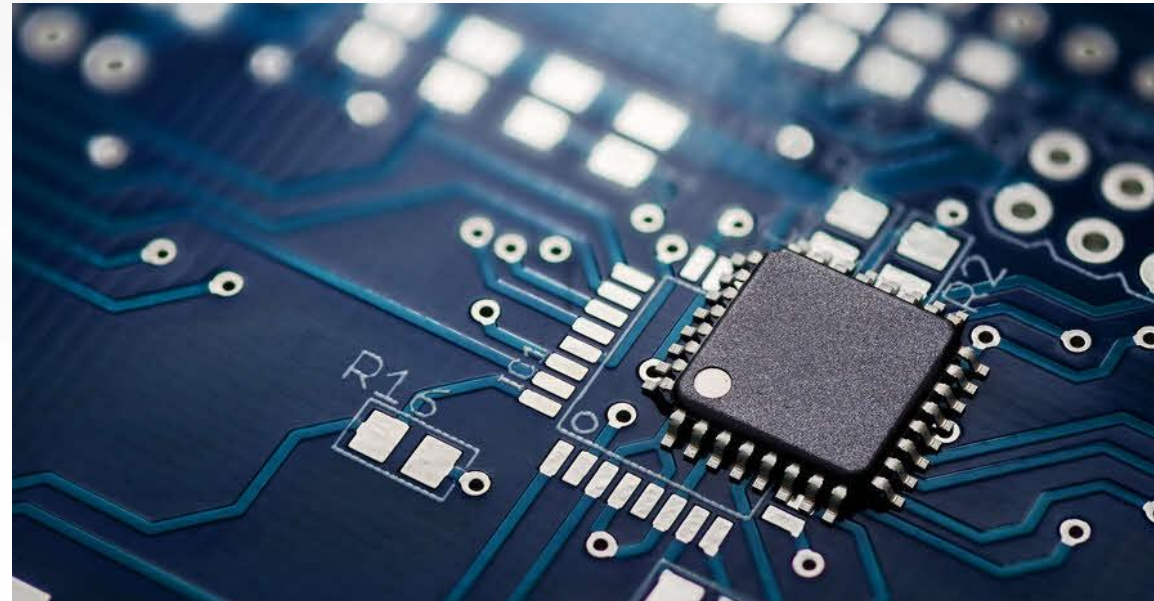

- **RAD:** Technical review, risk assessment and issuance of registration and authorization
- **PERD:** Industry outreach and compliance awareness
- **ICD:** Investigations, audits and enforcement of administrative penalties

OR DESTINATION**

MILITARY END-USE

PHASED IMPLEMENTATION

Department Administrative Order No. 19-07

Regulatory Process

A diagram illustrating the Regulatory Process. It features a horizontal line with a dark blue circle at its right end. Below this line, three vertical blue lines divide the space into three columns. Each column contains a step number (01, 02, 03), a bold title, and a descriptive paragraph. The background is white with light gray wavy lines. A dark blue bar is at the bottom left, and a purple bar is at the top right.

01

COMMODITY CLASSIFICATION
