

YOUR PLANTATION GRANGE TRAVEL GUIDE

This guide provides information on the transportation options and road network that supports bus connectivity in your area.

One example is the Tengah Link bus-only road, which enables bus commuters to travel to and from Tengah Town quickly. Compared to a regular traffic junction, this scheme helps to balance the needs of public transport users and other road users.

LEGEND

- Tengah Link (bus-only road tentatively from Dec 2023 onwards)
- Roads under construction
- Roads currently operating
- Travel direction for buses
- Travel direction for motorists
- Existing Cycling Path/ Park Connector
- Upcoming Cycling Path/ Park Connector
