**TIAN SAN - RPL RPL
INSTRUCTIONS**

Once your unit/contractor has received a **written confirmation and a booking code** from the Sea Ferry team, the following are rules that we expect all users to adhere:

1. All users are required to arrive only within 30 mins ahead of the departure time at Gate 3 SAF ferry terminal, in order to exchange for camp pass. For users taking the first RPL @ 730hrs, they are strictly to arrive from 0700hrs onwards. Any vehicles found to arrive prior to 0700hrs will be turned away from the gate to avoid causing congestion and hazard to the public users.
2. If user happens to arrive more than 30 minutes early, users are not allowed to park alongside road. You may park at either Changi Beach CP5 or Changi Beach CP6 as shown in the map below. Any SAF vehicles found parking alongside the road will have their vehicle number taken down and reported to higher authorities for punishment to be meted out. Any civilians found to be parking alongside the road will be towed away. Present your booking code to the crew present. No booking code, no entry.

OFFICIAL CLOSED

3. All users are to comply with the RPL crew's instruction when boarding and departing the RPL. All movements are to be controlled by the RPL crew.
4. The RPL will depart punctually.
5. Prior to boarding RPL, all drivers and passengers must alight from their vehicles and attend the safety brief conducted by the Tian San personnel.
6. Upon reaching the jetty, the drivers must follow the crew's instruction during disembarkation.
 - Any additional vehicles that have not been previously stated will be rejected.
 - For late and no shows with no valid reasons, users are to provide an LOE to explain, if the explanation is deemed invalid, user will be made to borne all incurred charges.
 - If units/contractors need to cancel their booking, please have the courtesy to inform Sea Ferry Section **24 hours** prior to the booking date and time. User will be made to borne all incurred charges for failure to comply.
 - No smoking on board the RPL.
 - In the event of an emergency or fire, follow the RPL Captain's instructions.
 - Life jackets are located below the main deck.

CIVILIAN CONTRACTORS ONLY

There will no longer be tickets to be purchased, all vehicles intending to board the RPL must ensure they have a booking code, else entry will be denied.

You may contact Sea Ferry at 6510 0040.

It is important to watch the safety video below and complete the form, if you are driving onto the RPL.

A screenshot of a web-based form titled 'RPL safety form'. The interface includes a header with the title, a user profile section showing 'seaferrytekong@gmail.com' with a 'Switch account' link and a cloud icon, and a status indicator 'Not shared' with a lock icon. A red asterisk at the bottom indicates that certain fields are required questions.
