Dear Parents/Guardians

Assessment Structure and Weighted Assessment (WA) One 2026 **Secondary Two**

- 1 WA is part of continuous assessment of learning and will take place during lesson time. Please refer to Annex A for the WA1 schedule.
- 2 The objectives of the WA are as follows:
 - a) to support your child/ward in inculcating the habit of consistent revision; and
 - b) to provide a milestone check on your child's/ward's learning so that the teachers can provide the necessary guidance and support to close any learning gaps as well as engage parents early on their child's/ward's academic progress
- 3 As shared in our Welcome to Start of the Year letter dated 30 December 2025, (Reference Number: 879/2025), the assessment structure for the various Weighted Assessments for 2026 is as follows:

	Term 1	Term 2	Term 3	Term 4
	WA1	WA2	WA3	End of Year Examination (EYE)
Weighting	15%	15%	15%	55%
Dates*	23 Feb – 6 Mar	27 Apr – 8 May	3 Aug – 14 Aug	21 Sept – 6 Oct

**Tentative and subject to change due to unforeseen circumstances. The school will keep students and parents updated in advance on any changes.*

- 4 It is compulsory that students sit for all scheduled papers. However, if your child/ward is unwell, he/she should not report to school. He/she should see a doctor and submit an original and valid medical certificate from a medical doctor registered with the Singapore Medical Council to cover for the days they are absent. Students should submit the medical certificate immediately upon their return to school. Students who miss any paper and do not have a valid medical certificate will be awarded a zero mark for the paper they missed. Parents' letter will not be accepted for absence from WAs.
- 5 Progress Report capturing the performance of your child/ward would be issued via your child/ward on 27 March 2026 (Friday). The report would enable parents/guardians to have a good sensing of your child's/ward's academic progress throughout the year. By releasing the dates of the tests and examinations early in the year, we hope to partner you to continue nurturing your child/ward to be more self-directed and plan their revision in advance.
- 6 We strongly encourage all students to refer to the Subject Overviews (which can be accessed via the school website at: <https://www.peicaisec.moe.edu.sg/academic/subject-overviews>) to guide them in planning for their revision.

Our Vision: Critical Minds, Compassionate Hearts
Our PR²IDE Values: Perseverance, Respect, Responsibility, Integrity, Discipline, Empathy

- 7 WAs are conducted during lesson time. Students who are late for lessons will not be given extra time.
- 8 During the WA1 period, CCAs will be conducted at a lower intensity (e.g. CCA teachers could adjust the CCA activities for that day to be less intensive or choose to end CCA slightly earlier etc) and CCAs will end by 5.45pm.
- 9 The following are attached for your reference and information:

Annex A : Generic Schedule and Topics/Areas Assessed for WA1; and
Annex B : Rules and Regulations for School Examinations/ Weighted Assessment
- 10 Should you have any further queries or require further clarifications, please do not hesitate to contact your child's/ward's Form Teacher or email the key personnel overseeing examinations:

Yours sincerely
