The letters are composed of a grid of small colored squares, with red for 'H', yellow for 'O', green for 'P', and blue for 'E'. The background of the screen shows a city skyline with fireworks exploding in the sky above.

NATIONAL DAY PARADE OVERVIEW

MESSAGE FROM THE PRESIDENT

Every year on 9th August, Singaporeans come together as one people to celebrate our independence and reaffirm our solidarity. This year, we have greater reason to celebrate after coming through a difficult period during the COVID-19 crisis.

Throughout our nation-building journey, we have demonstrated on many occasions what Singaporeans are capable of when we come together as a nation. We have emerged stronger from the COVID-19 crisis due to our unity and resilience. The countless stories of how Singaporeans came together and cared for one another reflect an important aspect of what we desire to preserve and strengthen as we refresh our social compact.

On this National Day, let us continue to celebrate our achievements as a nation. There may be uncertainties ahead but let us all look forward confidently and move onward together in building our shared future as one united people.

I wish everyone a Happy National Day!

HALIMAH YACOB

PRESIDENT OF THE REPUBLIC OF SINGAPORE

MESSAGE FROM THE PRIME MINISTER

Celebrating our National Day at the Padang always feels special. It is the anniversary of that day in 1965 when we became an independent country, a nation of our own.

58 years later, despite geopolitical uncertainties and economic headwinds, we can be quietly confident that we have what it takes to continue to thrive. Time and again, we have proven ourselves a resilient and resourceful people who will rise to the challenge, united as one. Year after year, we have nurtured our racial and religious harmony, our sense of being Singaporeans together. This harmony and cohesion give us the will and the sense of purpose essential to overcome what lies ahead.

This year's National Day theme, *Onward as One*, celebrates our unity. It calls on Singaporeans to move onward together to build our shared future: one that is inclusive and full of opportunities, in a society that is kind, caring, and big-hearted.

The Padang, right in the heart of our beautiful city, has witnessed many milestones in our history. May it continue to do so for many generations to come, as we strive together for a brighter future, *Onward as One*.

I wish everyone a Happy National Day!

LEE HSIEN LOONG

PARADE & CEREMONY

DEFENDING OUR NATION AS ONE (PART 1)

To kickstart the parade, a Military Tattoo comprising bands from the Singapore Armed Forces (SAF), Singapore Police Force (SPF), Bowen Secondary School and Yuhua Secondary School will put up a display of precision and creativity. This is followed by the marching in of 34 contingents in a parade that will evoke a sense of pride in all Singaporeans. The contingents are from the SAF, SPF, Singapore Civil Defence Force (SCDF), Combined Band, our schools' Uniformed Groups as well as organisations from the social and economic sectors. A first-time participant is the SAF's newly inaugurated Digital and Intelligence Service (DIS), which will be one of the Guard of Honour contingents. There will also be a video featuring choirs from Compassvale Secondary School, Pathlight School, Punggol Secondary School, SG Enable, Voices of Singapore, and Xinmin Secondary School.

To commemorate the Republic of Singapore Air Force (RSAF) 55th anniversary this year, there will be an Enhanced Aerial Display showcasing the RSAF's flying assets and its progress since its humble beginnings in 1968.

TOTAL DEFENCE PARADE

DEFENDING OUR NATION AS ONE (PART 2)

The Total Defence Parade (TDP) seeks to convey the importance of all six pillars of Total Defence (Social, Psychological, Economic, Digital, Civil and Military), and communicate to all Singaporeans that **everyone has a part to play** towards enabling the different pillars of Total Defence.

The TDP will comprise three components. First, a showcase of six large floats, each representing a total defence pillar. Second, a combined SAF, SPF and SCDF vehicular drive-past involving 20 assets along St Andrew's Road. Third, the unfurling of a large Total Defence Flag by approximately 100 participants from different walks of life. The entire segment is strung together

by a film, centred on a boy that seeks to uncover the meaning of Total Defence.

As tribute to all who have contributed towards Singapore's strength and security over the past 58 years, a TDP finale moment dubbed the TDP Salute will be held – where participants involved in the TDP will perform a salute to the audience.

Ultimately, the coming together of the Floats, the combined drive-past, as well as the unfurling of the Total Defence Flag, also hopes to convey that Total Defence is a collective endeavour. And that beyond the actions of the individual, it is only together that we can keep Singapore Strong.

SHOW

INSPIRATION FOR 2023 SHOW -
**BUILDING OUR
SHARED FUTURE
AS ONE**

We have spent the better part of the last three years worrying about our families, our friends and our future. For many of us, we have had to press "pause" on our lives and our dreams.

As we begin to find the rhythm in our lives again, I've been thinking a lot about what that means for each of us, and for Singapore. That is why for this year's NDP, I thought it would be a good time for us to take stock of what has happened, count our blessings and move forward into the future.

The theme for this year's NDP, *Onward As One*, was inspired by the hope, optimism and gratitude we shared as we emerged from a challenging period and look forward to our future as one people.

The time is now. Let us all go and shine our light upon the world!

Royston Tan
Creative Director

**THEME SONG:
SHINE YOUR LIGHT**

See it on our faces
Hear it in our voices
Everybody hold tight
Ready, Set, Go!

Picked up the pieces
All our memories
Filled up with our pride
Deep inside we know

A Little Island
Upstream
A Million Voices
One Dream

Oooh...
Keeping our head up

Oooh...
We've come so far and
now it's time to

Go!
Shine your light upon the world

Go!
Shine your light upon the world

Shine your light
Make it bright
Everybody Sing!

Packing our beliefs
We're dancing in the streets
We're onward as one
Ready to go

Bring out the aces
Taking us places
We never could've gone
Now we're running the show

Our little Island
Of Dreams
A Million Voices
One Team

Oooh...
Yeah we've come so far and
now it's time to

Go!
Shine your light upon the world

Go!
Shine your light upon the world
Shine your light
Make it bright
Everybody Sing!

Light a spark or a candle
Not a thing we can't handle
you can dream it, you can live it,
you can have it all

Watch it turn into flames
Passion burning the same
You know we gonna shut it down
when the duty calls

Picture me this,
All we wanna do is chasing
the bliss
Upon the stars we making a wish
Moving along from the days
that we miss

Let the Sun dry your tears
Let the light put out your fears
Lion city this a family
For a few hundred years

Shine your light so bright for the
world to see
(One Light, One Love, One Destiny)

You can live you can dream what
you wanna be
(Moving On One Voice, One Melody)

Shine your light so bright for the
world to see
(Through The Rain, Our Hearts
remain the same)

Burn bright through the night
yeah you gotta believe
(One Life, One Love, One Voice,
One Destiny)

Go!
Shine your light upon the world

Shine a light for everyone

Go!
Shine your light upon the world

Go!
Shine your light upon the world

Go!
Shine your light upon the world
Shine your light
Make it bright
Everybody Sing!
