

Your child's next SLS login

From 3 December 2026

The SLS login page is changing. Share these steps with your child.

1 Choose "Login with Edupass"

On the SLS login page, select the blue **LOGIN WITH EDUPASS** button.

Login

LOGIN WITH EDUPASS

or login with SLS

2 Use these existing login details

Username: Your child's existing MIMS ID.

Example: jayden_yeo@students.edu.sg

Use your child's own username.

Password: Your child's existing **MIMS** password (passwords remain unchanged).

Unsure of these details? Ask your child to approach his/her teacher.

3 Use login with SLS as a back-up

From 3 December, Edupass username will replace SLS ID that contains partial NRIC characters.

Before 3 Dec

jayde0345B

From 3 Dec

jayden_yeo@students.edu.sg

Example only — use your child's own username.

Password: Your child's existing **SLS** password (passwords remain unchanged).

From 3 Dec 2026, your child only needs to remember one username.

Your child can log into SLS using Edupass without setting up 2FA/MFA.

Trouble logging in?

Contact your child's teacher or school for help.
