Navigating to the Star Publishi

- 1 After logging in to SLS, click on the **square icon** at the top left corner to open the menu bar.

- 2 Click on **Resources**, then click on **App Library**.

ng Application from SLS

- 3 In the App Library, click on the **Star Publishing app**. This will open a new browser window.

Redeeming an eBook with a License Code

- 1 Click on the  icon at the top right of the page, then click on **Activation**.

A screenshot of a modal dialog box titled 'Activation Code'. Below the title, it says 'Please input your activation code.' There is a text input field with a light blue border. Below the input field is a blue button with the text 'Submit'. In the top right corner of the dialog box, there is a small 'X' icon for closing the dialog.

- 2 Enter the activation code and click on **Submit**.

50 pages / English

924 : Singapore A Journey Through Time
1299-1970s
Secondary One
Acknowledgements

Type: Enhanced Digital Book / Subjects: / Level:
Secondary 1
5 pages / English

Confirm

- 3 The eBook associated with the code will be displayed.
Click on **Confirm** to redeem the eBook.

Invalid Activation Code

If you encounter an “Invalid Activation Code” error, please check that you have entered the correct activation code. Click on **Try Again** and enter the correct activation code, then click **Submit**.

Please contact Star Publishing at contactus@starpub.com.sg if you have redeemed the activation code on the Star Publishing site instead of the Star Publishing app on the Student Learning Space.

Invalid Activation Code

The activation code that you've entered is invalid.

[Try Again](#)

Star Publishing Application Interface

The **Bookshelf** displays all of the eBooks that you have redeemed.

- 1 You may find your **Archived books** under the dropdown menu when you click on the  icon.

You can remove books by right-clicking the book you wish to remove from the archive.

When you archive a book, the book is no longer displayed prominently on the bookshelf. This helps to declutter your bookshelf. The archived book is not deleted, but stored in an archived section for later retrieval.

- 2 The various chapters in the book will be displayed. Click on a chapter to open it in the eBook reader.

Using the eBook Reader

6.1 eBook Reader Interface

- 1 Click on the  icon at the top left corner of the page to go back to the Bookshelf.

2 The function bar is located at the top right corner of the page.

6.2 Navigation

- 1 Click on the  icon in the function bar to navigate directly to a specific page.

- 2 Click on the   icons to navigate to the previous or next page respectively.

6.3 Zoom

- 1 Click on the  icon to open the Zoom panel.

- 2 Click on the  icon to zoom out and the  icon to zoom in.

6.4 Annotation Toolbar

Click on the  icon to open the Annotation panel. Here, you can draw, highlight, add sticky notes and erase annotations.

6.4.1 Cursor

Click on the  icon to revert to the default cursor.

6.4.2 Drawing Tool

Click on the  icon to begin drawing. Click on the icon again to change the colour of the pen.

6.4.3 Highlighting Text

Free Port Status

A key factor attracting traders to Singapore was its free port status, which the British put in place in 1819. Traders came in ships from different places and could trade freely with one another in Singapore. They were not required to pay taxes on the goods they carried.

Click on the  icon to begin highlighting text. Click on the icon again to change the colour of the highlighter.

Note: the highlighter can only be used on text.

6.4.4 Erasing Annotations Manually

Click on the small or big  icons to manually erase drawing or highlighter annotations.

6.4.5 Erasing Annotations Automatically

Click on the  icon to automatically erase the annotations on a page.

6.4.6 Sticky Notes

- 1 Click on the  icon to begin creating a note.

- 2 Then click on anywhere in the eBook to place the note. Click on the note to begin typing in the note and to change the colour of the note.

- 3 Click on the **arrow** in the note to expand or collapse it.

- 4 Click on the  icon to delete the note.

6.5 Search

- 1 Click on the  icon to search for keywords in the eBook.

6.6 Bookmarks

- 1 Click on the  icon to open the Bookmark panel.

- 2 Add a bookmark to the current page by clicking on **Bookmark This Page**.

- 3 Once a page has been bookmarked, it will appear in the list.

- 4 You can remove the bookmarked page by clicking on the  icon.

- 5 Click on the  icon to add a note to the bookmark.

- 6 The note will appear in the grey area of the bookmarked page.

Logged Out Due to Inactivity

If you are logged out of the app due to inactivity, please click on **SLS Login** on the Star Publishing login page. Then log in to SLS and reopen the app.

The screenshot shows the Star Publishing login page. At the top left is the Star Publishing logo, consisting of a stylized star and the text "STAR PUBLISHING". To the right of the logo is a "Bookshelf" icon and a "Sign In/ Register" button. Below the header is a horizontal line, and to the right of this line is a link for "About Us". The main section of the page is titled "Sign In". It contains two input fields: "Email" and "Password". Below the "Password" field is a "Sign In" button. To the right of the "Sign In" button is a link for "Forgot Password?". In the bottom left corner of the sign-in section, there is a red-outlined button labeled "SLS Login".
