

Key Activities and Milestones

Supplementary Placement Exercise (SPE)

Before Application Opens

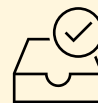

Resource: [Account Creation User Guide](#)

1

- Create account on the [Candidates Portal](#).
- Singapore Citizens and Permanent Residents must use NRIC or Birth Certificate Number to create an account.

Application Opens

Resource: [How to apply](#)

2

- Apply for SPE in Candidates Portal

Note: Application will close when all places for the test are filled.

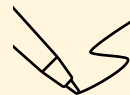

Application Outcome and Entry Proof

3

- Status of approved applications will update from "Pending" to "Registered" at least 4 weeks from day of application.
- You will then receive an email to retrieve entry proof from Candidates Portal.

Test Taking

Resource: [Test details](#)

4

- Arrive at least 45 minutes before the test.
- Instructions will be given 15 minutes before the test begins.
- Bring along your entry proof and identification document (e.g. NRIC or birth certificate).

School Selection

5

- Based on your child's performance in the tests, you will receive an email with the list of schools that they are eligible for.
- Submit your child's school choices through the [SPE Portal](#).

School Selection Outcome

6

- There will be no release of test results.
- Log in to the SPE-Sec IS to view your child's posting results.

Report to School

7

- Your child may report to their posted secondary school by the date indicated.
