The **Singapore Week of Innovation and Technology (SWITCH)** brings together innovation leaders, startups, corporates and investors from the Global-Asia Innovation Ecosystem.

Through the open exchange of new ideas, vibrant networking and a line-up of innovation-centric activities, SWITCH provides a global platform to catalyse meaningful collaborations. The focus industries include healthcare &

biomedical sciences, smart cities & urban solutions, trade & connectivity, and emerging sustainable technologies.

The SWITCH Experience features two components: **a year-long programme** of innovation-centric community events and opportunities that began in March 2023, and our signature **flagship event** that will be taking place from 31 October – 2 November 2023 at Sands Expo & Convention Centre, Singapore.

### FLAGSHIP

The programme features a flagship conference and exhibition that brings together startups, SMEs, MNCs, investors, research institutes, multipliers and government organisations.

### YEAR-LONG INNOVATION PROGRAMME

Year-long engagement through a series of webinars that share knowledge, corporate programmes as well as year-round networking opportunities for the global innovation system.

# SWITCH 2023

Held in Singapore from 31 October - 2 November at Sands Expo & Convention Centre, the Flagship Event features the following tracks that are curated to showcase exciting frontier technologies and opportunities for collaboration.

## SWITCH BEYOND

### *Industry Conference*

Hear from global leaders and industry experts at our sectoral thought leadership stage which will feature sessions uncovering innovation opportunities in Asia and the role of AI and technology applications across industries.

The Beyond conference will span two days and focus on two main themes - Accessible Healthcare in Asia on Day 1 and the Green Transition and Net Zero on Day 2. Discussion topics will surround Healthcare and Innovation in Asia, Precision and Predictive Medicine, the role of Hydrogen in Asia and Capturing Green Growth and Investments in Asia.

## SWITCH GLOBAL

### *Market Access Conference*

Connect with business leaders from more than 15 markets to discuss latest tech trends and opportunities for global collaboration, including leveraging Singapore as the connecting node to expand into the region.

Interact with changemakers at our exhibition trade floor and glean insights from market leaders and local industry experts at our market access sessions and global pavilion.

## SLINGSHOT 2023

### *Global Pitching Competition*

Catch the finals of Asia's premier deep tech startup pitching competition! Watch the top 50 global startups pitch to an audience of major investors and industry leaders to vie for top prize at the grand finals.

## SWITCH @ one-north

### *Explore the heart of SG's Innovation Ecosystem*

SWITCH @ one-north will offer a glimpse of the collaborative ecosystem behind Singapore's knowledge powerhouse. It will be an opportunity to experience firsthand the innovative spirit and cutting-edge technologies that make one-north a hub for creativity and growth.

SWITCH @ one-north will run from 1-2 November and feature different activities from founder-focused panel discussions, experiential start-up showcases to curated tours of innovation labs within one-north.
