Powering Innovation, Creating Our Future

The Singapore Week of Innovation and Technology (SWITCH) stands as Asia's premier innovation festival, bringing together market leaders, entrepreneurs, creators, accelerators and investors from the Global innovation ecosystem. Our flagship event features the highly anticipated SLINGSHOT startup pitching finals, where tomorrow's unicorns take centre stage, alongside thought-provoking leadership keynotes, strategic market access sessions, and targeted roundtable discussions with industry pioneers.

As we celebrate our milestone 10th edition alongside Singapore's 60th birthday, SWITCH 2025 promises to be our most ambitious gathering yet. Our expansive

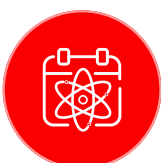

industry exhibition showcases cutting-edge innovations while facilitating meaningful connections across sectors. Building on our remarkable 2024 success—which drew over 20,000 in-person attendees from more than 100 global markets—SWITCH continues to push the boundaries of innovation across healthcare, smart cities, trade connectivity, and sustainable technologies.

Organised by Enterprise Singapore and supported by the National Research Foundation Singapore (NRF) of the Prime Minister's Office, SWITCH 2025 represents a pivotal opportunity to shape the future of transformation in Singapore – the homeground of innovation.

Flagship Event

The programme features a flagship conference and exhibition that brings together Startups, SMEs, MNCs, investors, research institutes, multipliers and government organisations.

Year-Long Innovation Programme

Year-long engagement through a series of community events that bring the Singapore startup and innovation ecosystem together to collaborate on new global opportunities and connect over shared dreams for the future.

SWITCH 2025 Flagship Events

SWITCH Main Stage

Plenary stage bringing together leaders in deep tech, innovation and entrepreneurship

Experience the SWITCH Main Stage: a global nexus of deep tech innovation where industry leaders converge and startups shine in the SLINGSHOT competition. Explore frontiers in robotics, AI, and quantum tech and witness promising global startups pitch groundbreaking ideas. This epicentre of cutting-edge insights offers a window to future technologies, from thought-provoking sessions to inspiring pitches. Join us at this gateway to global innovation and collaboration and be at the forefront of exciting new ideas!

SWITCH Beyond

Sector-focused deep tech conference and masterclasses

Hear from global leaders and industry experts at our sectoral thought leadership stage which will feature sessions uncovering innovation opportunities in Asia and the role of AI and technology applications across industries.

The Beyond conference will focus on 4 industry themes:

- Health and Biomedical
- Quantum Tech
- AI & Robotics
- AI for Materials

SWITCH Global

International market access conference and global startup exhibition fair

Connect with business leaders from 33 international pavilions and over 180 global startups to the discuss latest tech trends and opportunities for global collaboration, including leveraging Singapore as the connecting node to expand into the region.

Interact with changemakers at our exhibition trade floor and glean insights from market leaders and local industry experts at our market access sessions and global pavilion.

4 Conference Stages

Explore cutting-edge tech at our Main Stage, discover global opportunities at the Global Stage, immerse yourself in deep tech at the Beyond Stage and spark meaningful conversations at the Converge Stage. From AI to quantum computing, startup pitches to market access, SWITCH connects you to a world of innovation.

SLINGSHOT Top 60

Meet and connect with the SLINGSHOT Top 60 finalists, selected from over 6,800 global applications. Witness their revolutionary ideas come to life at the Domain Finals and Grand Finals!

400+ Exhibiting Startups & Innovators

Connect with over 400 global and Singapore startups and exhibitors across 33 global pavilions that span innovation and deep tech sectors like health & biomedical, artificial intelligence, sustainability solutions and more.

Networking & Investor Lounges

Join our structured networking session hosts as they avail more connections to key partners and innovation intermediaries across different markets. Don't miss this chance to meet and connect with innovative startups at these sessions!

SG Innovation Booth

Visit the booth to learn about the innovation startup ecosystem and experience first-hand the product of innovation through our showcasing startup solutions!

SWITCH Play

Don't miss out on SWITCH Play – an interactive and experiential tech showcase zone focusing on AI, tourism, robotics and the metaverse.
