General Information

1. Trade Marks Journal

This journal is published by the Registry of Trade Marks pursuant to Rule 86A of the Trade Marks Rules. It is published weekly on Fridays, unless otherwise directed by the Registrar.

2. Notice of Opposition

Any person who wishes to oppose any of the marks published may within two months from its publication date file a Notice of Opposition on Form TM11. Reasonable notice should be given to the Applicant beforehand, to provide the Applicant an opportunity to withdraw the application. Failure to give such notice will be taken into account when considering any application by an Opponent for an Order of Costs if the opposition is uncontested by the Applicant.

3. Practice Directions and Circulars

The Registry has ceased our practice of publishing Practice Directions and Circulars in the Trade Marks Journal. Practice Directions and Circulars are available on our website at <https://www.ipos.gov.sg>. If you wish to receive our updates via email, you may subscribe to our mailing list by sending an email to news@ipos.gov.sg and letting us know the subject matter of interest (e.g. Trade Marks).

4. Information Contained in this Journal

The Registry of Trade Marks does not guarantee the accuracy of its publications, data records or advice nor accept any responsibility for errors or omissions or their consequences. Permission to reproduce extracts from this Journal must be obtained from the Registrar of Trade Marks.

machines and apparatus; shoe making machines; leather tanning machines; glassware manufacturing machines and apparatus; packaging or wrapping machines and apparatus; machines and apparatus for manufacturing rubber goods; electric washing machines for industrial purposes; other electric washing machines; dishwashers for industrial purposes; other dishwashers; wax-polishing machines, electric, for industrial purposes; other electric wax polishers; electric vacuum cleaners for industrial use; other electric vacuum cleaners; electric mixer; food mixing machines for commercial use; food peeling machines for commercial use; food cutting machines for commercial use; mechanical parking systems; lifting devices for floor boards; steam turbines for ships; chemical vapor deposition [CVD] reactors for machines; boilers for engines; engine boilers for boats; drilling rigs, floating or non-floating; sorting conveyors for baggage inspection at airports; cargo handling transport apparatus used for baggage inspection at airports; cargo handling and conveying equipment with automatic sorting function of baggage for use at airport terminals; blowers for testing wind tunnels; electric motors, not for land vehicles; hoisting or winding gears; disintegrators [for chemical processing]; primary metal forming machines and apparatus; power sprayers for disinfecting, insecticides and deodorants [not for agricultural purposes]; mufflers for motorcycle engines; spark plugs for motorcycle engines; turbochargers for motorcycles (superchargers); internal combustion engines, other than for land vehicles; gasoline engines, other than for land vehicles; engines, other than for land vehicles; fuel dispensing machines for service stations; electric door openers; waste compacting machines and apparatus for industrial purposes; waste crushing machines for industrial purposes; 3D printers; hydraulic door openers and parts thereof for railway vehicles; electric door openers for railway cars and their parts.

Class 09

Photovoltaic power plants; equipment and instruments for electronic power control; electronic power controllers; photovoltaic apparatus and installations for generating

solar electricity; power supply regulators; fuel cell power generators; solar cells; solar panels for the production of electricity; battery and electricity conversion apparatus for power supply stabilization systems of aircraft; power supply equipment used in aircraft power supply stabilization systems; control machines and apparatus for use in generators; measuring apparatus and equipment for measuring the amount of electricity used for electric anti corrosion of pipelines in pipeline installations; remote monitoring devices for operation status of pipeline equipment; fire extinguishing systems for pipeline equipment; electronic apparatus used for electric corrosion protection for use in pipeline facilities; electrodes for electric corrosion protection for use in pipeline facilities; computer software for monitoring and managing power consumption; power converters; power distribution or control machines and apparatus; non-contact or insulated power supplies; chargers for use in electric vehicles; laboratory apparatus and instruments; calibration equipment for electronic balances for wind tunnel testing; measuring or testing machines and instruments; electronic equipment, apparatus and their parts; automated laboratory cell culture systems; computer programs for logistics management for medical institutions; simulated fire generators for fire drills and fire evacuation and rescue drills; flowing water detection systems for fire extinguishing equipment for conducting fire drills and fire evacuation and rescue drills; temperature sensors for conducting firefighting drills and evacuation and rescue drills in case of fire; computer programs for operating devices in aircraft containers; training simulators for land, air or water vehicle operation skills and maintenance; aviation meteorological machines and apparatus for wind tunnel testing; aviation meteorological machines and apparatus for wind tunnel experiments; calibration equipment for electronic balances for wind tunnel experiments; control devices for measuring pressure; controls for pressure measuring equipment; constant temperature incubators; simulators for skills training in the operation of land, air or water vehicles; aircraft performance measuring machines and instruments; electromagnetic measuring instruments for measuring aircraft performance; computer and computer software for measuring the

performance of aircraft; precision measuring instruments for aircraft bench testing; flight training simulators for aircraft; simulators for airborne weapons and tactical training; aircraft maintenance training simulators; batteries; converters; voltage stabilized power supplies; storage batteries for railway vehicles; nickel-metal hydride batteries for power generation systems; nickel-hydride storage batteries; accumulators [batteries]; storage batteries for power distribution or control; electric storage devices for power distribution or control; terminal block for power distribution or control; DC-AC converters for power distribution; switchboards; video camera controllers; remote control units for video cameras; positioning devices for cameras; video surveillance cameras; telecommunications apparatus and instruments; baggage inspection equipment; non-destructive inspection systems using x-rays used for baggage inspection at airports; blowers (testing devices) for use in wind tunnel experiment; wind tunnels being testing installations; ozonisers [ozonators]; electrolytic cells; egg-candlers; cash registers; coin counting or sorting machines; photo-copying machines; mathematical instruments; time and date stamping machines; time clocks [time recording devices]; punched card office machines; voting machines; postage stamp checking apparatus; coin-operated mechanisms for operating gates for car parks; life-saving apparatus and equipment; fire hose nozzles; fire extinguishers; sprinkler systems for fire protection; fire alarms; safety helmets; sports training simulators; encoded electronic chip cards for identifying users of vehicles or electronic devices; electronic keys with built-in electronic circuitry for starting vehicle engines or motors; electronic keys with built-in electronic circuitry for locking and unlocking the steering of vehicles; electronic keys with built-in electronic circuitry for locking and unlocking the doors of vehicles; electronic locking mechanisms for security purposes; vehicle driving simulators for training purposes; vehicle breakdown warning lamps, other than parts of vehicles; electronic keys for vehicles; computer hardware for control and analysis of railway operation systems; computer software for detecting abnormalities in railway vehicles or wear of railway vehicle parts; railway signal apparatus, luminous or mechanical; railway traffic safety

appliances; vehicle breakdown warning triangles; emergency light bars for vehicles [luminous signals]; vehicle dipsticks; vehicular radio communication machines and apparatus; diving weights; compressed air bailout units for diving, not for sports; diving goggles; diving helmets; buoyancy compensator devices for divers, not for sports; buoyancy bladders for diving, not for sports; nose clips for divers, not for sports; gas leak alarms; electrical cells and batteries; rotary converters; electronic publications; burglar alarms; road signs, luminous or mechanical; x-ray tubes not for medical use; electric switches; frequency converters; vacuum tubes; rectifiers; electric capacitors; electric resistors; electric measuring instruments; electric furnace electrodes; telegraphs; current limiters; current controllers; electric bells; telephones; covered wires; electric voltage transformers; radio-frequency identification (RFID) tags; application software; smartphone cases; billing machines; downloadable programs for personal digital assistants for emergency notification; personal digital assistants; meters; clothing for protection against accidents; hand operated calculators; downloadable programs for personal digital assistants for sexual offence notification; electrical and electronic burglar alarms; electronic keys; electronic game programs; computer programs; motorcycle helmets; protective eyewear; gloves for protection against accidents; personal alarm apparatus; labels with integrated radio frequency identification [RFID] chips; tire balancing machines for land vehicles; electronic devices for locking and unlocking the steering of motorcycles and starting their engines; portable card-type electronic keys with built-in electronic circuitry for locking and unlocking the steering of motorcycles and starting their engines; meters for motorcycles, namely, speedometers, tachometers and gasoline meters; batteries for motorcycles; protective eyeglasses for motorcycles; motorcycle protective suits; helmets for vehicles; eyeglasses; goggles for sports; goggles for motorcyclists; sunglasses; game programs for arcade video game machines; consumer video game programs; electronic circuits and CD-ROMs recorded with programs for handheld games with liquid crystal displays; protective helmets for sports; speed indicators; tachometers; water temperature gauges; oil thermometers; fuel gauges;

marine radio communication machines and apparatus; cases adapted for mobile phones; cell phone straps; ear plugs for divers; fire hoses; photographic equipment; cinematographic machines and apparatus; optical machines and apparatus; electric or magnetic meters and testers; electric wires and cables; fire boats; satellites for scientific purposes; fire trucks; dust masks; gas masks; welding masks; fireproof garments; disaster prevention hoods; sports whistles; weight belts for scuba diving; air tanks [for scuba diving]; snorkels; regulators for scuba diving; downloadable music files; downloadable image files; recorded video discs and video tapes; exposed cinematographic films; slide film, exposed; current collectors and appliances for railway cars.

Class 11

Boilers, other than parts of non-electric prime movers or engines; heat exchangers, other than parts of machines; nuclear reactors; flammable gas removal heating equipment used in nuclear power-related facilities; gas generating furnaces for industrial purposes; pipe line cocks; fly ash treatment equipment for commercial refuse incinerators for cement solidification of waste incineration fly ash; waste melting and processing apparatus; clean chambers with temperature regulating function; clean chambers [sanitary installations]; waste thermal decomposition furnaces; garbage incinerators; nuclear reactor pressure vessels; heating furnaces [for industrial purposes]; coal drying apparatus for coke ovens; drying apparatus used for large-capacity drying of coke oven coking coal; tube dryers for coke oven coking coal; drying apparatus for large-capacity drying treatment of brown coal; desiccating apparatus for industrial purposes; apparatus for the exhaustion of waste gases; sewage treatment apparatus; sewage treatment apparatus using methane fermentation; methane gas fermenters for sewage treatment; sewage treatment apparatus; drying apparatus for chemical processing of ooze; water purification installations; firing furnaces; cooling machines for cement production; rotary kilns for industrial purposes; electric furnaces [for industrial purposes]; sludge treatment

machines and apparatus; ventilation [air-conditioning] installations and apparatus; negative ion generators for commercial electric sterilization; light-emitting diode [LED] light bulbs; light-emitting diode [LED] luminaires; recuperators for ventilating purposes; steamers [for chemical processing]; evaporators; distillation apparatus; milk sterilizers; industrial furnaces; forage drying apparatus; air-conditioning apparatus [for industrial purposes]; freezing machines and apparatus; laundry dryers, electric, for industrial purposes; hair drying apparatus, hair steamers, towel steamers, excluding chairs; all for use in beauty salons or hairdressing shops; cooking apparatus and installations for commercial use; industrial dish drying machines; waste water treatment tanks for industrial purposes; septic tanks for industrial purposes; solar water heaters; water purification units; tap water faucets; level controlling valves in tanks; drying apparatus for chemical processing; recuperators for chemical processing; steamers for chemical processing; evaporators for chemical processing; heat exchangers for chemical processing; air conditioners for industrial purposes; towel steamers for hairdressing purposes; hair drying machines for beauty salon use; hair steamers for beauty salon use; shampoo basins for barbers' shop use; dish disinfectant apparatus for industrial purposes; water purifying apparatus for industrial purposes; distillation apparatus not for scientific purposes; freezing machines and apparatus for industrial purposes; headlamps for motorcycles; tail lamps for motorcycles; direction indicator lamps for motorcycles; drying apparatus for textile manufacture; ice-cream making machines for industrial purposes; bread-making machines for industrial purposes; plywood drying machines; harvest drying apparatus; electric lamps and other lighting apparatus; warming pans, non-electric; pocket warmers; hot water bottles; stoves [space heaters] for household purposes, non-electric.

Class 12

Tipping apparatus, parts of railway freight cars; pusher cars for mining; puller cars for mining; ropeways for cargo or freight handling; traction engine; non-electric prime

movers for land vehicles, not including their parts; shafts, axles or spindles, machine elements for land vehicles; bearings [machine elements for land vehicles]; shaft couplings or connectors [machine elements for land vehicles]; bearings [machine elements for land vehicles]; transmissions for land vehicles; shock absorbers [machine elements for land vehicles]; springs [machine elements for land vehicles]; brakes [machine elements for land vehicles]; anti-theft alarms for vehicles; AC motors or DC motors for land vehicles, not including their parts; air cushion vehicles; two-wheeled motor vehicles, bicycles and their parts and fittings; motorcycle engines; motorcycle suspension systems; steering dampers for motorcycles; chains for motorcycles; drive chains for motorcycles; shock absorbers for motorcycles; brakes for motorcycles; brake calipers for motorcycles; brake cables for motorcycles; brake shoes for motorcycles; brake discs for motorcycles; brake drums for motorcycles; brake pads for motorcycles; brake hoses for motorcycles; brake master cylinders for motorcycles; brake linings for motorcycles; motorcycle bearings; motorcycle alarm systems; anti-theft locks for motorcycles; anti-theft devices for motorcycles; speed change gears for motorcycles; fairings for two-wheeled vehicles; electric motors for two-wheeled vehicles; carts; adhesive rubber patches for repairing tubes or tires; baby carriages; rickshaws; hand trucks; horse-drawn carriages; riyakah [two-wheeled carts]; trailers; aircraft and parts and fittings therefor; motor boats steered by motorbike type handles and their parts and fittings; ship propellers; marine propulsion systems being parts for vessels; screw propellers [for vessels]; helicopters and parts and fittings therefor; steering gears for ships; unmanned aerial vehicles [UAVs]; electric railway cars; locomotives; metal covers for securing power supply or wiring of snow melting heaters adapted for railway cars; metal body covers for protecting bogie parts for railway vehicles and equipment from water, snow or mud, being parts of railway cars; railway rolling stock and their parts and fittings; netting racks for railway cars; wheels for railway cars; seats for railway cars; railway car body; hanging straps adapted for railway trains; bogies for railway cars; wheel frames for railway cars; doors for railway cars; railway couplings; mechanical

elements for land vehicles; marine vessels equipped with facilities for production, storage and shipment of oil and natural gas; high speed railway vehicle; electric locomotives; subway rolling stock; railway passenger cars; speed reduction gears for ships; sleighs and sleds [vehicles]; parachutes; carriages for transporting goods for aircraft assistance at airports; goods handling carts for supporting aircraft at airports; railway handcars; railway carriages; rolling stock for railways; snowmobiles in the form of cars for railways; horns for vehicles; sleeping berths for vehicles; telpher railways [cable cars]; suspension arms for telpher railways; fitted hatch covers for railway cars to prevent entry of water and moisture; mobile railcar movers; vehicle seats; chassis for railway cars; railway bogies; buffers for railway rolling stock; bodies for railway cars; flanges for railway wheel tires; doors for vehicles; vehicle running boards; undercarriages for vehicles; vehicle windows; dining cars; treads for retreading tyres for vehicles used in the civil engineering industry; tyres for the wheels of forestry vehicles; inner tubes for the wheels of forestry vehicles; funicular railcars; steam engines for railway rolling stock, automobiles and motorcycles; railbound vehicles; tyres for agricultural vehicles; flexible power transmission apparatus for railway cars; vessels and their parts and fittings; automobiles and their parts and fittings; motorcycles; mopeds; scooters; electric bicycles; utility vehicles; side-by-side vehicles; all-terrain vehicles; small gliding boat; wheelchairs; power supply vehicles.

Class 14

Key rings; personal ornaments [jewellery, jewelry (am.)]; shoe ornaments of precious metal; clocks and watches; badges of precious metal; bonnet pins of precious metal; tie pins; necklaces [jewellery]; bracelets [jewelry]; wristwatches; stand clocks; automobile clocks; pin badges.

Class 16

Stationery; printed matter; paintings and calligraphic works; photographs; photograph

stands; mechanical pencils; ball-point pens; fountain pens; stickers [stationery]; emblem-printed stickers.

Class 18

Clothing for domestic pets; pouches; bags; vanity cases sold empty; umbrellas; suitcases; tote bags; handbags; boston bags; rucksacks; key cases; wallets; commutation-ticket holders; business card cases; sports bags; backpacks; trunks; briefcases; shoulder bags; pocket wallets; card wallets; small bags for men; leather bags; saddlebags; bags; traveling bags; carry-on bags; waist pouches; shopping bags; telescopic umbrellas.

Class 25

Clothing; waistbands; belts for clothing; footwear [other than special footwear for sports]; jackets; sweatshirts; trousers; T-shirts; polo shirts; parkas; vest tops; raincoats; scarves; neckties; bandanas [neckerchiefs]; gloves as clothing; mufflers [clothing]; socks and stockings other than special sportswear; headwear; caps; sneakers; boots, other than boots for sports; sandal [shoes]; slippers; riding boots for motorcycling; motorcycle riding suits; motorcycle riding pants; motorcycle riding jackets; motorcycle gloves; driving gloves; bicycle gloves; garters; sock suspenders; suspenders [braces]; special footwear for sports; clothes for sports; non-Japanese style outerclothing; coats; sweaters; shirts for suits; nightwear; underwear; swimwear; swimming caps [bathing caps]; camisoles; clothes for water sports; other clothing; sleep masks; aprons [clothing]; neck scarves; puttees and gaiters; fur stoles; shawls; Japanese style socks [tabi]; Japanese style socks covers [tabi covers]; neckerchieves; thermal supporters [clothing]; earbands [clothing]; nightcaps; Japanese style wooden clogs (geta); Japanese style sandals (zori); windsurfing shoes; driving gloves; riding boots; weatherproof clothing; clothing for motorcyclists, excluding those for safety purposes; motorcycle rainwear; motorcycle riding shoes; motorcycle gloves.

Class 26

Buckles for clothing [clothing buckles]; badges for wear, not of precious metal; ornamental adhesive patches for jackets; buttons; buttons for clothing; campaign buttons; novelty buttons; press buttons; rivet buttons; shirt buttons; stud-buttons; ornamental novelty buttons; snap buttons for clothing; magnetic buttons covered in fabric; embroidered emblems; emblems embroidered on apparel and clothing for motorcyclists; cloth patches for clothing.

Class 28

Amusement machines and apparatus for use in amusement parks; toys; dolls; go board games; shogi games [Japanese chess]; uta-garuta [Japanese playing cards]; dice; sugoroku board games; cups for dice; Chinese checkers [games]; chess games; checkers games; apparatus for performing magic tricks; dominoes; playing cards; hanafuda [Japanese playing cards]; mah-jong; game machines and apparatus; billiard equipment; sports equipment, other than for climbing, surfing, water-skiing and scuba diving; sports equipment for surfing, water-skiing and scuba diving; fairground ride apparatus; amusement park vehicles; fishing tackle; motorcycle miniature toys; radio-controlled motorcycle toys; motorcycle plastic toy models; home video game consoles for motorcycle racing; arcade video game machines for motorcycle racing; arcade video game machines; home video game machines; hand-held games with liquid crystal displays; child's vehicles [toys]; scale models [toys]; plastic models [toys]; metal models [toys]; toys for domestic pets.

Class 35

Advertising and publicity services; business management analysis or business consultancy; marketing research or analysis; providing information concerning commercial sales; business management of hotels for others; retail services or wholesale services for a variety of goods in each field of clothing, foods and beverages, and livingware; retail services or wholesale services for clothing; retail

services or wholesale services for footwear; retail services or wholesale services for bags and pouches; retail services or wholesale services for personal articles; retail services or wholesale services for automobiles; retail services or wholesale services for two-wheeled motor vehicles, motorcycles, scooters, mopeds and bicycles; retail services or wholesale services for bicycles; retail services or wholesale services for agricultural machines, implements and supplies; retail services or wholesale services for printed matter; retail services or wholesale services for paper and stationery; retail services or wholesale services for sports goods; retail services or wholesale services for toys, dolls, game machines and apparatus; retail services or wholesale services for clocks, watches and spectacles [eyeglasses and goggles]; retail services or wholesale services for tobacco and smokers' articles; promoting the goods and services of others through the administration of sales and promotional incentive schemes involving trading stamps; business management; preparation and auditing of financial statements; job placement services; conducting of auction sales; import-export agency services; arranging newspaper subscriptions for others; shorthand secretarial services; transcription; document copying; office functions, namely filing, in particular documents or magnetic tapes; compiling of information into computer databases; providing business assistance to others in the operation of data processing apparatus namely, computers, typewriters, telex machines and other similar office machines; reception services for visitors in buildings [office functions]; rental of publicity and marketing materials; rental of typewriters and copying machines; commercial information and advice for consumers in the choice of products and services; providing employment information; providing commercial information about newspaper articles; rental of vending machines; retail services or wholesale services for woven fabrics and bedding; retail services or wholesale services for diapers; retail services or wholesale services for food and beverages; retail services or wholesale services for liquor; retail services or wholesale services for meat; retail services or wholesale services for sea food; retail services or wholesale services for vegetables and fruits; retail services or wholesale services for

confectionery, bread and buns; retail services or wholesale services for rice and cereals; retail services or wholesale services for milk; retail services or wholesale services for carbonated drinks [refreshing beverages] and non-alcoholic fruit juice beverages; retail services or wholesale services for tea, coffee and cocoa; retail services or wholesale services for processed food; retail services or wholesale services for furniture; retail services or wholesale services for joinery fittings; retail services or wholesale services for tatami mats; retail services or wholesale services for ritual equipment; retail services or wholesale services for electrical machinery and apparatus; retail services or wholesale services for bladed or pointed hand tools, hand tools and metal hardware; retail services or wholesale services for kitchen equipment, cleaning tools and washing utensils; retail services or wholesale services for pharmaceutical, veterinary and sanitary preparations and medical supplies; retail services or wholesale services for cosmetics, toiletries, dentifrices, soaps and detergents; retail services or wholesale services for flowers [natural] and trees; retail services or wholesale services for fuel; retail services or wholesale services for photographic machines and apparatus and photographic supplies; retail services or wholesale services for building materials; retail services or wholesale services for semi-wrought precious stones and their imitations.

Class 37

Installation, inspection, maintenance or repair of gas turbines; installation, inspection, maintenance or repair of generators; installation, maintenance and repair of power plants; repair or maintenance of boilers; repair or maintenance of heat exchangers; repair or maintenance of nuclear power plants; repair or maintenance of industrial waste treatment machines; repair or maintenance of cleaning apparatus for liquid crystal glass, panels, semiconductors and solar cells; repair or maintenance of semiconductor processing machinery and apparatus; repair or maintenance of processing apparatus for wafers and semiconductor wafers for solar cells; repair or maintenance of laser processing apparatus for the manufacture of solar cells; repair

or maintenance of textile plants; repair or maintenance of movable floor lifting apparatus; repair or maintenance of sieving machines; repair or maintenance of metalworking machines and tools; repair or maintenance of loading-unloading machines and apparatus; repair or maintenance of raw material supply apparatus for metal processing machines and appliances; repair or maintenance of aircraft cleaning apparatus; repair or maintenance of glass substrate cleaning apparatus for the manufacture of liquid crystal displays; repair or maintenance of amusement machines and apparatus; repair or maintenance of photovoltaic generators; repair or maintenance of organic waste chemical power generation systems; repair or maintenance of thermal, hydroelectric, nuclear and wind power plants; repair or maintenance of power supply units; repair or maintenance of medical machines and apparatus; repair or maintenance of cell culture devices for medical and diagnostic purposes; repair or maintenance of cell culture apparatus for experiment and research; repair or maintenance of hydroelectric power generation facilities; repair and maintenance of wind power plants; repair or maintenance of tidal current power generation facilities; repair or maintenance of aircraft cleaning apparatus; repair or maintenance of baggage or cargo transport apparatus for airports; repair or maintenance of baggage inspection apparatus; repair or maintenance of sorting conveyors used for baggage inspections at airports; repair or maintenance of cargo handling transport apparatus used for baggage inspections at airports; repair or maintenance of non-destructive inspection apparatus using x-rays used for baggage inspection at airports; repair or maintenance of waste carbonization apparatus; repair or maintenance of chemical plants; repair or maintenance of drying apparatus used for large-capacity drying of coke oven coking coal; repair or maintenance of desiccating apparatus for industrial purposes; repair or maintenance of flue gas desulfurization plants; repair or maintenance of metal storage tanks; repair or maintenance of metal storage containers; repair or maintenance of trailers; repair or maintenance of simulated fire generators for fire drills and fire evacuation and rescue drills; repair or maintenance of flowing water detection systems for fire extinguishing

equipment for conducting fire drills and fire evacuation and rescue drills; repair or maintenance of temperature sensors for fire drills and fire evacuation and rescue drills; repair or maintenance of a plant consisting of hydrogen gas storage, supply and consumption systems of rocket launch facilities; repair or maintenance of tanks for storage of liquefied hydrogen at rocket launch facilities; repair or maintenance of pipeline; repair or maintenance of waste incineration plants; repair or maintenance of human waste treatment tanks of methane gas fermentation treatment facilities; repair or maintenance of chemical processing machines and apparatus; repair or maintenance of waste treatment plants; repair or maintenance of sewage treatment apparatus; repair or maintenance of sludge treatment apparatus; repair or maintenance of water purification apparatus for water supply; repair or maintenance of cement plants; repair or maintenance of non-ferrous plants; repair or maintenance of waste treatment apparatus; repair or maintenance of sludge treatment machinery and apparatus; repair or maintenance of mining machines and apparatus; repair or maintenance of construction machines and apparatus; repair or maintenance of tunnel drilling machines; repair or maintenance of conveying machines; repair or maintenance of aircraft containments for maintenance or painting of aircraft equipped with automatic doors and industrial robots; repair or maintenance of weight transportation apparatus; repair or maintenance of industrial robots; repair or maintenance of medical robots; repair and maintenance of ships; repair and maintenance of or offshore structures; custom shipbuilding; bicycle repair; repair or maintenance of automobiles; repair or maintenance of motorcycles, motor scooters, mopeds, and other two-wheeled vehicles; repair or maintenance of electric motors; repair or maintenance of power distribution or control machines and apparatus; repair or maintenance of power generators; repair or maintenance of plowing machines and implements, other than hand-held tools; repair or maintenance of cultivating machines and implements; repair or maintenance of harvesting machines and implements; repair or maintenance of plant fiber processing machines and implements; repair or maintenance of fodder presses; repair or maintenance of

fodder cutters; repair or maintenance of fodder mixers; repair or maintenance of fodder mills; repair or maintenance of cake-fodder crushing machines; repair or maintenance of power converters; repair or maintenance of computer printers for logistics management in hospitals; repair or maintenance of computer terminals for logistics management in hospitals; repair or maintenance of biomass power plants; repair or maintenance of personal watercraft; installation, maintenance and repair of railroad tracks; providing information relating to the repair or maintenance of railway rolling stock; repair and maintenance of land, water, air and railway vehicles; custom rebuilding of existing land vehicles and structural parts therefor; providing information concerning installation, maintenance and repair of railroad tracks; provision of repair and maintenance via diagnosis of the condition of railway vehicles by remote access; installation, maintenance, and repair of apparatus to detect abnormalities in railway vehicles or wear of railway vehicle parts; repair of internal combustion engines; repair of engines; construction services; construction consultancy; operation and maintenance of building equipment; aircraft maintenance or repair; repair or maintenance of railway rolling stock; repair or maintenance of optical machines and instruments; repair or maintenance of fire alarms; repair or maintenance of industrial heating and cooling apparatus; burner maintenance or repair; pump repair or maintenance; repair or maintenance of freezing machines and apparatus for industrial purposes; repair or maintenance of electronic machines and apparatus; repair or maintenance of telecommunication machines and apparatus; repair or maintenance of electric lighting apparatus; repair or maintenance of laboratory apparatus and instruments; repair or maintenance of measuring and testing machines and instruments; repair or maintenance of firearms; repair or maintenance of glassware manufacturing machines and apparatus; repair or maintenance of industrial furnaces; repair or maintenance of machines and systems for manufacturing integrated circuits; repair or maintenance of semi-conductor manufacturing machines and systems; repair or maintenance of machines and apparatus for processing food or beverages; repair or maintenance of machines and

apparatus for lumbering, woodworking, or veneer or plywood making; repair or maintenance of textile machines and apparatus; repair or maintenance of painting machines and apparatus; repair or maintenance of agricultural machines and implements; repair or maintenance of plastic processing machines and apparatus; repair or maintenance of storage tanks; repair or maintenance of gasoline station equipment; repair or maintenance of mechanical parking systems; repair or maintenance of bicycle parking apparatus; repair or maintenance of cooking apparatus for industrial purposes; repair or maintenance of vehicle washing installations; repair or maintenance of power-driven floor cleaning machines; repair or maintenance of amusement machines and apparatus; repair or maintenance of water pollution control equipment; repair or maintenance of water purifying apparatus for industrial purposes; repair or maintenance of waste compacting machines and apparatus for industrial purposes; repair or maintenance of waste crushing machines for industrial purposes; repair or maintenance of diving machines and apparatus; repair and maintenance of 3D printers; repair of game machines and apparatus; sterilization of medical apparatus and instruments; rental of construction machines and apparatus; rental of mining machines and apparatus.

Class 39

Railway transport; providing information relating to railway transport; freight transportation consultancy in the field of freight transportation by truck, rail, air and ocean; transportation and delivery services by air, road, rail and sea; supply chain logistics and reverse logistics services consisting of the storage, transportation and delivery of goods for others by air, rail, ship or lorry; booking of seats for rail travel; booking of tickets for train travel; loading of freight containers onto rail vehicles; rental of railway vehicles; GPS navigation services; transportation information; automobile rental; rental of vessels; rental of bicycles; motorcycle rental; car transport; provision of road and traffic information; vessel transport; air freight shipping services; packaging services; ship brokerage; refloating of ships;

warehousing services; electricity distribution; rental of loading-unloading machines and apparatus; rental of air vehicles; escorting of travel tours; travel arrangement and reservation services, excluding those for lodging; rental of gasoline station equipment for storage of fuel [not for repair and maintenance of automobiles].

Class 41

Videotaping; photography; film production, other than advertising films; circuses; presentation of live show performances; presentation of theatrical performances; presentation of musical performances; microfilming; television entertainment; lottery services; video editing; dubbing; coaching [training]; services of schools [education]; providing educational examinations; education information; practical training [demonstration]; vocational retraining; vocational education and training services; organization of correspondence courses; club services [entertainment or education]; arranging, conducting and organization of symposiums; arranging and conducting of conferences; arranging and conducting of colloquiums; organization of competitions [education or entertainment]; animal training; zoological garden services; lending library services; on-line publication of electronic books and periodicals; recreation information; electronic desktop publishing; entertainment; publishing services; entertainment information; layout services other than for advertising purposes; sports camp services; party planning; holiday camp services [entertainment]; movie studio services; music recording studio services; rental of tennis courts; timing of sports events; providing exercise facilities; rental of sports grounds; game services provided online from a computer network; providing music halls; providing museum facilities [presentation, exhibitions]; organization of exhibitions for cultural or educational purposes; organization of sporting events; organization of seminars or training sessions; instruction services relating to operation of robots; booking of seats for shows; providing facilities for movies, shows, plays, music or educational training; rental of motion pictures; arranging and planning of movies, shows, plays or musical performances; rental of skin diving equipment; educational and instruction services

relating to arts, crafts, sports or general knowledge; organization, arranging and conducting of boat races; rental of sports equipment, except vehicles; organization, arranging and conducting of horse races; rental of video cameras or cameras; organization, arranging and conducting of bicycle races; rental of radio and television sets; production of videotape film in the field of education, culture, entertainment or sports [not for movies or television programs and not for advertising or publicity]; rental of sound recordings; providing amusement facilities; rental of videotapes; organization of entertainment events excluding movies, shows, plays, musical performances, sports, horse races, bicycle races, boat races and auto races; toy rental; review courses for state examinations; game equipment rental; exhibition at museums of products, models, replicas, specimens, printed materials, materials, etc, indicating the history of natural sciences, traffic technology, and the transition of railways, vehicles, ships, aircraft, etc; rental of lighting apparatus for theatrical sets or television studios; vehicle-driving instruction; photographic reporting; rental of paintings and calligraphic works; language interpretation; organization, arranging and conducting of motorcycle races; language translation; instruction services relating to the operation of small ships and boats; providing electronic publications; instruction services relating to driving two-wheeled vehicles; organization, arranging and conducting of exhibitions of fine arts; production of radio or television programs; rental of film negatives; rental of reversal film; rental of cinematographic machines and apparatus; operation of video and audio equipment for the production of radio and television programs; rental of cameras and binoculars for leisure purposes; plant exhibitions; reference libraries of literature and documentary records; providing gardens for public admission; rental of amusement machines and apparatus; directing of radio and television programs; rental of game machines and apparatus; instruction services relating to driving motorcycles; vehicle-driving instruction; organization of motorcycle racing; organization of motorcycle events; providing information on donation of human corpses for medical education; arranging of donation of human corpses for medical education; art exhibitions; providing videos

from the internet, not downloadable; movie theatre presentations or movie film production and distribution; rental of cine-films; rental of records or sound-recorded magnetic tapes; rental of image-recorded magnetic tapes.

Class 42

Computer software design, computer programming, or maintenance of computer software for logistics management in hospitals; provision of a programmable electronic computer program for a control apparatus; providing a program for a programmable control apparatus; computer software design, computer programming, or maintenance of computer software; computer software design, computer programming, or maintenance of computer software for programmable controllers; testing, inspection or research of pharmaceuticals, cosmetics or foodstuffs; providing computer programs on data networks; rental of cell culture laboratory equipment for experimental and research purposes; inspection of motor vehicles for roadworthiness; computer software design, computer programming, or maintenance of computer software for controlling and analyzing railway operation systems; providing computer programs on data networks for analysis of railway operation systems using telecommunications, and providing information in relation thereto; technological advice relating to computers, automobiles and industrial machines; providing meteorological information; architectural design; designing of machines, apparatus, instruments [including their parts] or systems composed of such machines, apparatus and instruments; design services; research on building construction or city planning; testing or research on prevention of pollution; testing or research on electricity; testing or research on civil engineering; testing, inspection or research on agriculture, livestock breeding or fisheries; testing or research on machines, apparatus and instruments; rental of measuring apparatus; rental of computers; rental of laboratory apparatus and instruments; rental of technical drawing instruments.

commissioning and sorting; loading machines and loading systems for separating stacks; stacking machines and stacking systems; loading and unloading machines; lifting and transmission machines; workpiece clamping attachments [parts of machines]; guidance frameworks for machine tools; machine frames; mounts for machines and mechanical installations; automotive engine blocks; lifting attachments incorporating mechanisms for the handling of goods; workpiece clamping attachments [machines]; conveyors; roller conveyors; rotary conveyor apparatus; screw conveyors; belt conveyors; loaders [conveyors]; automatic conveyor installations; machinery for the handling of materials; overhead conveyors; installations and apparatus for the application of lacquers, adhesives and/or sealing materials; industrial process controllers [hydraulic], pressure regulating apparatus being parts of machines, regulators [parts of machines], valves [parts of machines], heat exchangers [parts of machines]; fluid supply and disposal installations for installations and apparatus using high-pressure media; parts and fittings for the foregoing goods.

Class 09

Software; software for the operation of machines for the manufacture of timber framing; software for house construction; software for data generation for walls, roof and ceiling production; software for carpentry machines; measuring, detecting, monitoring and controlling devices; electronic control systems; programmable controllers; hardware and software for controlling machines and mechanical installations; industrial process control software; business technology software; factory automation software; sensors; sensor controllers; vibration sensors; infrared sensors; electronic sensors; heat sensors; temperature sensors; proximity sensors; pressure sensors; optical sensors; downloadable software; industrial software; manufacturing software; mechanical engineering software; predictive maintenance software; CAD-CAM software; smart manufacturing software; industrial controls incorporating software; computer-aided manufacturing [CAM] software; robotic

process automation [RPA] software; computer-aided engineering [CAE] software; enterprise resource planning [ERP] software; process control apparatus [electronic].

Class 37

Machinery installation, maintenance and repair; repair or maintenance of machines and apparatus for woodworking; repair or maintenance of machines for timber construction; tool maintenance; factory construction; repair or maintenance of conveyors; installation, repair and maintenance of production facilities; remote machine maintenance; installation of radio frequency heating systems; services of an electrician; maintenance of production plants for the timber construction industry.

Class 38

Data transmission; remote data access services; streaming of data; data transmission services over telematic networks; providing access to global computer networks and other computer networks; provision of access to data or documents stored electronically in central files for remote consultation; data broadcasting services; data streaming; electrical data transmission over a global remote data processing network, including the internet, data transmission and data broadcasting; electronic transmission of data and electronic data interchange services; electronic network communications and communication services for the electronic transmission of data; telecommunications by computer terminals, via telematics, satellites, radios, telegraphs, telephones; telematics services; transmission of information via wireless or cable networks; providing of access to a platform for exchanging data between machines, tools, software manufacturers and manufacturers; providing of access to a platform for exchanging data between data providers and data consumers in manufacturing processes.

Class 42

Software installation; software creation; design and development of computer software for process control; design and development of software for building

construction; design and development of software for data generation for walls, roof and ceiling production; design and development of software for carpentry machines; design and development of software for the digital networking of machines; design and development of computer hardware and software for industrial applications; design and development of software for mechanical engineering and for automated production (CAD/CAM); design, development, maintenance and updating of software for process control; software programming for the control of woodworking machines; software development; updating of software; technological consulting and engineering services in relation to timber house construction; technological consulting and engineering services in relation to gluing; planning [design] of production lines and installations; technological consulting in relation to solutions for just-in-time delivery for the timber construction industry; technological consulting in relation to solutions for lean manufacturing and optimization of production processes; design and development of machines and processes for the production of laminated wood; design of systems for the control of production plants and facilities; engineering consultancy and services; quality control; engineering services related to the design of machine tools; engineering services relating to robotics; engineering-services for the analysis of machines; planning [design] of production facilities; planning [design] of production plants for processing wood; process monitoring for quality assurance; services related to computer-aided industrial analysis; services related to IoT (Internet of Things) in the field of mechanical engineering.
